The term of this Master Agreement may be amended beyond the initial term for up to three (3) consecutive one (1) year additional terms, upon the mutual agreement of the Lead State and Contractor, by written Amendment. The total duration of the Master Agreement, including any extensions, shall not exceed five (5) years.
- 2.3 Amendment Limitations.** The terms of this Master Agreement will not be waived, altered, modified, supplemented, or amended in any manner whatsoever without prior written agreement of the Lead State and Contractor.

III. Order of Precedence

- 3.1 Order.** This Master Agreement will consist of the following documents:

Contractor terms and conditions that apply to this Master Agreement are only those that are expressly accepted by the Lead State and must be in writing and attached to this Master Agreement as an Exhibit or Attachment.
- 3.3 Participating Addenda.** Participating Addenda will not be construed to diminish, modify, or otherwise derogate any provisions in this Master Agreement between the Lead State and Contractor. Participating Addenda will not include a term of agreement that exceeds the term of the Master Agreement, nor will it include Products and Services not awarded under the Master Agreement.

IV. Participants and Scope

- 4.1 Requirement for a Participating Addendum.** Contractor may not deliver Products under this Master Agreement until a Participating Addendum acceptable to the Participating Entity and Contractor is executed.
- 4.2 Applicability of Master Agreement.** NASPO ValuePoint Master Agreement Terms and Conditions are applicable to any Order by a Participating Entity (and other Purchasing Entities covered by their Participating Addendum), except to the extent altered, modified, supplemented or amended by a Participating Addendum, subject to Section III. For the purposes of illustration and not limitation, this authority may apply to unique delivery and invoicing requirements, confidentiality requirements, defaults on Orders, governing law and

venue relating to Orders by a Participating Entity, indemnification, and insurance requirements. Statutory or constitutional requirements relating to availability of funds may require specific language in some Participating Addenda in order to comply with applicable law. The expectation is that these alterations, modifications, supplements, or amendments will be addressed in the Participating Addendum or, with the consent of the Purchasing Entity and Contractor, may be included in the ordering document (e.g., purchase order or contract) used by the Purchasing Entity to place the Order.

- 4.3 Authorized Use.** Use of specific NASPO ValuePoint Master Agreements by state agencies, political subdivisions and other Participating Entities is subject to applicable state law and the approval of the respective State Chief Procurement Official. Issues of interpretation and eligibility for participation are solely within the authority of the respective State Chief Procurement Official.
- 4.4 Obligated Entities.** Obligations under this Master Agreement are limited to those Participating Entities who have signed a Participating Addendum and Purchasing Entities within the scope of those Participating Addenda. States or other entities permitted to participate may use an informal competitive process to determine which Master Agreements to participate in through execution of a Participating Addendum. Participating Entities incur no financial obligations on behalf of other Purchasing Entities.
- 4.5 Notice of Participating Addendum.** Contractor shall email a fully executed PDF copy of each Participating Addendum to pa@naspovaluepoint.org to support documentation of participation and posting in appropriate databases.
- 4.6 Eligibility for a Participating Addendum.** Eligible entities who are not states may under some circumstances sign their own Participating Addendum, subject to the consent of the Chief Procurement Official of the state where the entity is located. Coordinate requests for such participation through NASPO ValuePoint. Any permission to participate through execution of a Participating Addendum is not a determination that procurement authority exists; the entity must ensure that they have the requisite procurement authority to execute a Participating Addendum.
- 4.7 Prohibition on Resale.** Subject to any specific conditions included in the solicitation or Contractor's proposal as accepted by the Lead State, or as explicitly permitted in a Participating Addendum, Purchasing Entities may not resell Products purchased under this Master Agreement. Absent any such condition or explicit permission, this limitation does not prohibit: payments by employees of a Purchasing Entity for Products; sales of Products to the general public as surplus property; and fees associated with inventory transactions with other governmental or nonprofit entities and consistent with a Purchasing Entity's laws and regulations. Any sale or transfer permitted by this subsection must be consistent with license rights granted for use of intellectual property.
- 4.8 Individual Customers.** Except as may otherwise be agreed to by the Purchasing Entity and Contractor, each Purchasing Entity shall follow the terms and conditions of the Master Agreement and applicable Participating Addendum and will have the same rights and responsibilities for their purchases as the Lead State has in the Master Agreement and as the Participating Entity has in the Participating Addendum, including but not limited to any indemnity or right to recover any costs as such right is defined in the Master Agreement and applicable Participating Addendum for their purchases. Each Purchasing Entity will be responsible for its own charges, fees, and liabilities. The Contractor will apply the charges and invoice each Purchasing Entity individually.

- 4.9 Release of Information.** Throughout the duration of this Master Agreement, Contractor must secure from the Lead State prior approval for the release of information that pertains to the potential work or activities covered by the Master Agreement. This limitation does not preclude publication about the award of the Master Agreement or marketing activities consistent with any proposed and accepted marketing plan.
- 4.10 No Representations.** The Contractor shall not make any representations of NASPO ValuePoint, the Lead State, any Participating Entity, or any Purchasing Entity's opinion or position as to the quality or effectiveness of the services that are the subject of this Master Agreement without prior written consent.

V. NASPO ValuePoint Provisions

- 5.1 Applicability.** NASPO ValuePoint is not a party to the Master Agreement. The terms set forth in Section V are for the benefit of NASPO ValuePoint as a third-party beneficiary of this Master Agreement.

5.2 Administrative Fees

5.2.1 NASPO ValuePoint Fee. Contractor shall pay to NASPO ValuePoint, or its assignee, a NASPO ValuePoint Administrative Fee of one-quarter of one percent (0.25% or 0.0025) no later than sixty (60) days following the end of each calendar quarter. The NASPO ValuePoint Administrative Fee must be submitted quarterly and is based on all sales of products and services under the Master Agreement (less any charges for taxes or shipping). The NASPO ValuePoint Administrative Fee is not negotiable. This fee is to be included as part of the pricing submitted with a vendor's response to the Lead State's solicitation.

5.2.1.1 Contractor shall report on all actual Equipment sales, and on actual Service and Supply sales for purchased and leased equipment.

5.2.2 State Imposed Fees. Some states may require an additional fee be paid by Contractor directly to the state on purchases made by Purchasing Entities within that state. For all such requests, the fee rate or amount, payment method, and schedule for such reports and payments will be incorporated into the applicable Participating Addendum. Unless agreed to in writing by the state, Contractor may not adjust the Master Agreement pricing to include the state fee for purchases made by Purchasing Entities within the jurisdiction of the state. No such agreement will affect the NASPO ValuePoint Administrative Fee percentage or the prices paid by Purchasing Entities outside the jurisdiction of the state requesting the additional fee.

5.3 NASPO ValuePoint Summary and Detailed Usage Reports

5.3.1 Sales Data Reporting. In accordance with this section, Contractor shall report to NASPO ValuePoint all Orders under this Master Agreement for which Contractor has invoiced the ordering entity or individual, including Orders invoiced to Participating Entity or Purchasing Entity employees for personal use if such use is permitted by this Master Agreement and the applicable Participating Addendum ("Sales Data"). Timely and complete reporting of Sales Data is a material requirement of this Master Agreement. Reporting requirements, including those related to the format, contents, frequency, or delivery of reports, may be updated by NASPO ValuePoint with reasonable notice to Contractor and without amendment to this Master Agreement. NASPO ValuePoint shall have exclusive ownership of any media on which reports are submitted and shall have a perpetual,

irrevocable, non-exclusive, royalty free, and transferable right to display, modify, copy, and otherwise use reports, data, and information provided under this section.

5.3.2 Summary Sales Data. “Summary Sales Data” is Sales Data reported as cumulative totals by state. Contractor shall, using the reporting tool or template provided by NASPO ValuePoint, report Summary Sales Data to NASPO ValuePoint for each calendar quarter no later than thirty (30) days following the end of the quarter. If Contractor has no reportable Sales Data for the quarter, Contractor shall submit a zero-sales report.

5.3.3 Detailed Sales Data. “Detailed Sales Data” is Sales Data that includes for each Order all information required by the Solicitation or by NASPO ValuePoint, including customer information, Order information, and line-item details. Contractor shall, using the reporting tool or template provided by NASPO ValuePoint, report Detailed Sales Data to NASPO ValuePoint for each calendar quarter no later than thirty (30) days following the end of the quarter. Detailed Sales Data shall be reported in the format provided in the Solicitation or provided by NASPO ValuePoint. The total sales volume of reported Detailed Sales Data shall be consistent with the total sales volume of reported Summary Sales Data.

5.3.4 Sales Data Crosswalks. Upon request by NASPO ValuePoint, Contractor shall provide to NASPO ValuePoint tables of customer and Product information and specific attributes thereof for the purpose of standardizing and analyzing reported Sales Data (“Crosswalks”). Customer Crosswalks must include a list of existing and potential Purchasing Entities and identify for each the appropriate customer type as defined by NASPO ValuePoint. Product Crosswalks must include Contractor’s part number or SKU for each Product in Contractor’s catalog and identify for each the appropriate Master Agreement category (and subcategory, if applicable), manufacturer part number, product description, eight-digit UNSPSC Class Level commodity code, and (if applicable) EPEAT value and Energy Star rating. Crosswalk requirements and fields may be updated by NASPO ValuePoint with reasonable notice to Contractor and without amendment to this Master Agreement. Contractor shall work in good faith with NASPO ValuePoint to keep Crosswalks updated as Contractor’s customer lists and product catalog change.

5.3.5 Executive Summary. Contractor shall, upon request by NASPO ValuePoint, provide NASPO ValuePoint with an executive summary that includes but is not limited to a list of states with an active Participating Addendum, states with which Contractor is in negotiations, and any Participating Addendum roll-out or implementation activities and issues. NASPO ValuePoint and Contractor will determine the format and content of the executive summary.

5.4 NASPO ValuePoint Cooperative Program Marketing, Training, and Performance Review

5.4.1 Staff Education. Contractor shall work cooperatively with NASPO ValuePoint personnel. Contractor shall present plans to NASPO ValuePoint for the education of Contractor’s contract administrator(s) and sales/marketing workforce regarding the Master Agreement contract, including the competitive nature of NASPO ValuePoint procurements, the master agreement and participating addendum process, and the manner in which eligible entities can participate in the Master Agreement.

5.4.2 Onboarding Plan. Upon request by NASPO ValuePoint, Contractor shall, as

Participating Addendums are executed, provide plans to launch the program for the Participating Entity. Plans will include time frames to launch the agreement and confirmation that the Contractor's website has been updated to properly reflect the scope and terms of the Master Agreement as available to the Participating Entity and eligible Purchasing Entities.

- 5.4.3 Annual Contract Performance Review.** Contractor shall participate in an annual contract performance review with the Lead State and NASPO ValuePoint, which may at the discretion of the Lead State be held in person and which may include a discussion of marketing action plans, target strategies, marketing materials, Contractor reporting, and timeliness of payment of administration fees.
- 5.4.4 Use of NASPO ValuePoint Logo.** The NASPO ValuePoint logos may not be used by Contractor in sales and marketing until a separate logo use agreement is executed with NASPO ValuePoint.
- 5.4.5 Most Favored Customer.** Contractor shall, within thirty (30) days of their effective date, notify the Lead State and NASPO ValuePoint of any contractual most-favored-customer provisions in third-party contracts or agreements that may affect the promotion of this Master Agreement or whose terms provide for adjustments to future rates or pricing based on rates, pricing in, or Orders from this Master Agreement. Upon request of the Lead State or NASPO ValuePoint, Contractor shall provide a copy of any such provisions.

5.5 Cancellation. In consultation with NASPO ValuePoint, the Lead State may, in its discretion, cancel the Master Agreement or not exercise an option to renew, when utilization of Contractor's Master Agreement does not warrant further administration of the Master Agreement. The Lead State may also exercise its right to not renew the Master Agreement if the Contractor fails to record or report revenue for three consecutive quarters, upon 60-calendar day written notice to the Contractor. Cancellation based on nonuse or under-utilization will not occur sooner than [two years] after execution of the Master Agreement. This subsection does not limit the discretionary right of either the Lead State or Contractor to cancel the Master Agreement or terminate for default subject to the terms herein. This subsection also does not limit any right of the Lead State to cancel the Master Agreement under applicable laws.

5.6 Additional Agreement with NASPO. Upon request by NASPO ValuePoint, awarded Contractor shall enter into a direct contractual relationship with NASPO ValuePoint related to Contractor's obligations to NASPO ValuePoint under the terms of the Master Agreement, the terms of which shall be the same or similar (and not less favorable) than the terms set forth in the Master Agreement.

VI. Pricing, Payment & Leasing

- 6.1 Pricing.** The prices contained in this Master Agreement or offered under this Master Agreement represent the not-to-exceed ("ceiling") price to any Purchasing Entity.
- 6.1.1** MSRP/List Price discount percentages must be guaranteed throughout the term of the Master Agreement, including any renewal terms, however; Contractor may increase its discount percentage at any time. The Lead State must be notified of any such discount percentage increase, and provided with a copy of the new Price List(s).
- 6.1.2** With the exception of Group C and Sub-Group C1 and C2 Devices, pricing must include all shipping, delivery, and installation costs associated with the Products.

Excess installation charges however, may be billable. Refer to section IV.E.5 of Exhibit A, Statement of Work, for more information.

- 6.1.3 Price Lists received after the 1st day of the new quarter may not be approved for up to thirty (30) days following submission. In addition, errors in Contractor Price Lists may delay the approval process further.
 - 6.1.4 Contractor may update their lease rates once per quarter by providing the Lead State with documentation regarding said rate changes. Updates to lease rates will not be permitted until 8/1/2025.
 - 6.1.5 Pricing shall remain firm during the first twelve (12) months of the Master Agreement (e.g. 8/1/2024 – 7/31/2025). Contractor may then update their pricing **once per calendar year**. All requested price increases must be sent to the Lead State and include documentation from Contractor which provides a detailed explanation for the increase. While there will not be any restrictions regarding direct and indirect cost increases, it will be at the Lead State's sole discretion to determine if the requested increase has a direct correlation to the Deliverables being offered under the Master Agreement. Price increases shall be allowed for all Products and all Services, including rate and fee structures on maintenance plans.
 - 6.1.6 All approved Price Lists will be submitted by the Lead State to NASPO ValuePoint. Contractor shall then update all applicable websites with the new Price Lists after the NASPO ValuePoint website has been updated. Contractor is not permitted to send Price List updates directly to NASPO ValuePoint.
 - 6.1.7 All inclusive Cost Per Copy (CPC) programs may be offered upon request by the Participating State or Entity, but pricing must not exceed Master Agreement pricing. Contractor must provide the Participating State or Entity with their pricing breakdown which enables the Participating State or Entity to easily compare the pricing in the CPC structure against the pricing in the Master Agreement.

After 45 days the Contractor may assess overdue account charges up to a maximum rate of one percent per month on the outstanding balance, unless a different late payment amount is specified in a Participating Addendum or Order, or otherwise prescribed by applicable law. Payments will be remitted in the manner specified in the Participating Addendum or Order. Payments may be made via a purchasing card at the time of Order placement with no additional charge. For Products drop-shipped (a simple transactional purchase of hardware without installation, MPS or maintenance services), payments may be made via a purchasing card at the time of Order placement only. Contractor may suspend or cancel performance of open Orders or Services if a Purchasing Entity fails to make payments when due.
- 6.3 **Leasing or Alternative Financing Methods.** The procurement and other applicable laws of some Purchasing Entities may permit the use of leasing or alternative financing methods for the acquisition of Products under this Master Agreement. **Exhibit A, Statement of Work**, contains Leasing provisions; however, it shall be at the discretion of each

Participating State or Entity to accept these terms, reject these terms, or further negotiate the terms with the Contractor, as long as those negotiations don't fall outside the original scope of the RFP or the Master Agreement.

***For example:** The maximum lease term on Group A Devices is 60 months; Contractor is not permitted to offer a lease term in excess of this.*

VII. Ordering

- 7.1 Order Numbers.** Purchase Order numbers must be clearly shown on all acknowledgments, packing slips, invoices, and on all correspondence.
- 7.2 Quotes.** Purchasing Entities may define entity-specific or project-specific requirements and informally compete the requirement among companies having a Master Agreement on an "as needed" basis. This procedure may also be used when requirements are aggregated or other firm commitments may be made to achieve reductions in pricing. This procedure may be modified in Participating Addenda and adapted to the Purchasing Entity's rules and policies. The Purchasing Entity may in its sole discretion determine which Master Agreement Contractors should be solicited for a quote. The Purchasing Entity may select the quote that it considers most advantageous, cost, and other factors considered.

- 7.11** Contractor and/or Authorized Dealers may charge the Purchasing Entity a re-stocking fee for any Products that are not accepted. The amount of the fee shall be the lesser of 10% of the purchase price, or \$200.00, unless otherwise specified in a Participating Addendum.
- 7.12** Contractor and/or Authorized Dealers may estimate meter reads if a Purchasing Entity fails to submit the required information within the specified time-frame.
- 7.13** All software Orders shall reference the Manufacturer's most recent release or version of the Product, unless the Purchasing Entity specifically requests a different version.
- 7.14** Contractor, Third-Party leasing companies, and/or Authorized Dealers may bill property tax separately or as otherwise indicated in a Participating Addendum or an Order.
- 7.15** Contractor and/or Authorized Dealers shall have a process in place for resolving disputed invoices, including escalation procedures. In addition, Contractor and/or Authorized Dealers shall have a process in place for issuing refunds or credits due to invoicing errors, as well as over-payments and Product returns.
- 7.16** Internet-based Portal and Electronic Catalogs. If Contractor provides the ability to place an Order through an internet-based portal or electronic catalog, then Contractor shall maintain all necessary hardware, software, backup-capacity and network connections required to operate that internet-based portal or electronic catalog. - 7.18 Substitutions.** If an ordered Product is out-of-stock, Contractor shall notify the Purchasing Entity and request approval before substituting for the out-of-stock item. Contractor's request to substitute shall explain how the substituted Product compares with the out-of-stock item. Any substitute Product offered must be on the Contractor's Master Agreement Price List.
- 7.19 Contract Provisions for Orders Utilizing Federal Funds.** Pursuant to Appendix II to 2 Code of Federal Regulations (CFR) Part 200, Contract Provisions for Non-Federal Entity Contracts Under Federal Awards, Orders funded with federal funds may have additional contractual requirements or certifications that must be satisfied at the time the Order is placed or upon delivery. - 8.3 Required Updates.** Contractor shall provide a minimum of semi-monthly updates to the Purchasing Entity regarding the status of all Devices that are, or will be expected to go, on backorder.
- 8.4 Software Installation.** Software related to the Device must be installed within five (5) Business Days of the Device installation, or as otherwise stated in an Order.
- 8.5 Delivery Days and Receiving Hours.** All deliveries shall be made during Normal Business Hours, which may vary for each Purchasing Entity of each Participating State. The Purchasing Entity shall not be responsible for any additional charges should the Contractor fail to observe specific delivery days and receiving hours. The delivery days and delivery hours shall be established by each individual Purchasing Entity upon Order placement.
- 8.6 Inside Deliveries.** All deliveries, with the exception of drop-shipped or desktop Devices, shall be made to the interior location specified by the Purchasing Entity. Specific delivery instructions will be noted on the Order. Any damage to the building interior, scratched walls, damage to the freight elevator, etc., will be the responsibility of the Contractor. IX. Inspection and Acceptance

- 9.1 Laws and Regulations.** Any and all Products offered and furnished must comply fully with all applicable Federal, State, and local laws and regulations.
- 9.2 Applicability.** Unless otherwise specified in the Participating Addendum, or ordering document, the terms of this Section IX will apply. This section is not intended to limit rights and remedies under the applicable commercial code.
- 9.3** With the exception of drop-shipped Devices, Purchasing Entity shall confirm delivery, installation and Acceptance of all Devices covered by each purchase or lease Order, by signing a Delivery and Acceptance Certificate (D&A), as referenced in **Exhibit B, Sample D&A Certificate**, which shows Acceptance of the Device(s) and allows Contractor to invoice for the Device(s).
- 9.4** Purchasing Entity agrees to sign and return the D&A to Contractor (which, at mutual agreement, may be done electronically) within five (5) Business Days after any Device is installed, or as otherwise stated in a Participating Addendum.
- 9.5** Failure to sign the D&A or reject the Device(s) within the foregoing five (5) day period shall be deemed as Acceptance by the Purchasing Entity; however, it does not relieve the Contractor of liability for material (nonconformity that substantially impairs value) defects subsequently revealed when Devices are put to use. Acceptance of such Devices may be revoked in accordance with the provisions of the applicable commercial code, and the Contractor shall be liable for any resulting expense incurred by the Purchasing Entity in relation to the preparation and shipping of Device(s) rejected and returned, or for which Acceptance is revoked.
- 9.6 Inspection.** All Devices are subject to inspection at reasonable times and places before

Acceptance. Contractor shall provide right of access to the Lead State, or to any other authorized agent or official of the Lead State or other Participating or Purchasing Entity, at reasonable times, to monitor and evaluate performance, compliance, and/or quality assurance requirements under this Master Agreement. Contractor agrees to permit duly authorized agents and employees of the Lead State or other Participating or Purchasing Entities to enter Contractor's facilities for the purposes described in this section 9.6, during normal working hours with reasonable written notice, accompanied by duly authorized agents or employees of Contractor. The parties agree that Lead State or other Participating or Purchasing Entities will not be permitted access to any Contractor areas involved in research and development or that contain confidential, proprietary, trade secret documents/information, protected health information (PHI), or personally identifiable information (PII).

9.6.1 Devices that do not meet Contractor specifications may be rejected within the 5-day period specified in **section 9.5**. Failure to reject upon receipt, however, does not relieve the contractor of liability for material (nonconformity that substantially impairs value) latent or hidden defects subsequently revealed when goods are put to use.

9.6.2 Acceptance of such goods may be revoked in accordance with the provisions of the applicable commercial code, and the Contractor is liable for any resulting expense incurred by the Purchasing Entity related to the preparation and shipping of Device rejected and returned, or for which Acceptance is revoked.

9.7 Failure to Conform. If any services do not conform to contract requirements, the Purchasing Entity may require the Contractor to perform the services again in conformity with contract requirements, at no increase in Order amount. When defects cannot be corrected by re-performance, the Purchasing Entity may require the Contractor to take necessary action to ensure that future performance conforms to contract requirements and reduce the contract price to reflect the reduced value of services performed.

9.8 Acceptance Testing. Purchasing Entity may establish a process, in keeping with industry standards, to ascertain whether the Device meets the standard of performance or specifications prior to Acceptance by the Purchasing Entity.

9.8.1 The Acceptance Testing period will be thirty (30) calendar days, unless otherwise specified, starting from the day after the Device is delivered or, if installed by Contractor, the day after the Device is installed and Contractor certifies that the Device is ready for Acceptance Testing.

9.8.2 If the Device does not meet the standard of performance or specifications during the initial period of Acceptance Testing, Purchasing Entity may, at its discretion, continue Acceptance Testing on a day-to-day basis until the standard of performance is met.

9.8.3 Upon rejection, the Contractor will have fifteen (15) calendar days to cure. If after the cure period, the Device still has not met the standard of performance or specifications, the Purchasing Entity may, at its option: (a) declare Contractor to be in breach and terminate the Order; (b) demand replacement Device from Contractor at no additional cost to Purchasing Entity; or, (c) continue the cure period for an additional time period agreed upon by the Purchasing Entity and the Contractor.

9.8.4 Contractor shall pay all costs related to the preparation and shipping of Device returned pursuant to the section.

9.8.5 No Device will be deemed Accepted and no charges will be paid until the standard

of performance or specification is met.

product), fire or water damage, electrical disturbances, damage that takes place in or related to the transportation of a Product by a Purchasing Entity, or other causes beyond Contractor's control.

10.10 Contractor agrees to perform its Services in a professional manner, consistent with applicable industry standards. Purchasing Entity agrees to provide prompt notice of any such Service concerns and Contractor will re-perform any Service that fails to meet this standard.

10.11 It will be at the discretion of each Participating State or Entity to negotiate additional warranty requirements with the Contractor.

10.12 Lemon Clause

10.12.1 This clause shall apply to all Devices that are purchased or leased under the Contractor's Master Agreement.

10.12.2 This clause shall not apply if Supplies are used in the Devices that were not manufactured, provided, or authorized by the Contractor.

10.12.3 The application period is thirty-six (36) months from the date of Acceptance.

10.12.4 This clause shall take precedence over any other warranty or Services clauses associated with the Contractor's Master Agreement, or as specified by a Participating State or Entity in their Participating Addendum.

10.12.5 A Purchasing Entity must maintain an uninterrupted Maintenance Agreement on all purchased Devices in order for this clause to apply past the initial ninety (90) day warranty.

10.12.6 Any Device that fails (except due to operator error) to function in accordance with the Manufacturer's published performance specifications, four (4) times in any four (4) week period and/or is subject to recurring related problems, shall be replaced with a new Device that meets or exceeds the requirements of the original Device, at no cost to the Purchasing Entity.

10.13 Rights Reserved. The rights and remedies of the parties under this warranty are in addition to any other rights and remedies of the parties provided by law or equity, including, without limitation, actual damages, and, as applicable and awarded under the law, to a prevailing party, reasonable attorneys' fees and costs.

Contractor, or if applicable, Third-Party leasing company, shall have exclusive title to the Devices being delivered and the Devices shall be free and clear of all liens, encumbrances, and security interests. 11.1.1 Purchasing Entity up-front purchase of the Device;

11.1.2 Purchasing Entity exercising the purchase option at the end of an FMV Lease;

perpetual license to use any Embedded Software in the Device. If Purchasing Entity subsequently transfers title of the Device to another entity, Purchasing Entity shall have the right to transfer the license to use the Embedded Software with the transfer of Device title. A subsequent transfer of this software license will be at no additional cost or charge to either Purchasing Entity or Purchasing Entity's transferee.

- 11.3 License of Pre-Existing Intellectual Property.** Contractor grants to the Purchasing Entity a nonexclusive, perpetual, royalty-free, irrevocable, license to use, publish, translate, reproduce, transfer with any sale of tangible media or Product, perform, display, and dispose of the Intellectual Property, and its derivatives, used or delivered under this Master Agreement, but not created under it ("Pre-existing Intellectual Property"). - 12.2.1** The Contractor's obligations under this section will not extend to any combination of the Product with any other product, system or method, unless the Product, system or method is:

12.2.1.3 reasonably required to use the Product in its intended manner, and the infringement could not have been avoided by substituting another reasonably available product, system or method capable of performing the same function.

- 12.2.2** The Indemnified Party shall notify the Contractor within a reasonable time after receiving notice of an Intellectual Property Claim. Even if the Indemnified Party fails to provide reasonable notice, the Contractor shall not be relieved from its obligations unless the Contractor can demonstrate that it was prejudiced in defending the Intellectual Property Claim resulting in increased expenses or loss to the Contractor. The Contractor shall promptly and reasonably investigate and defend any Intellectual Property Claim, and it shall have control over the defense and settlement of the Intellectual Property Claim. However, the Indemnified Party must consent in writing for any money damages or obligations for which it may be responsible.

- 12.2.3** The Indemnified Party shall furnish, at the Contractor's reasonable request and expense, information and assistance necessary for such defense. If the Contractor fails its affirmative obligation to defend or settle the Intellectual Property Claim, the Indemnified Party may assume the defense or settlement of the Intellectual Property Claim and the Contractor shall be liable for all costs and expenses, including reasonable attorneys' fees and related costs, incurred by the Indemnified Party in the pursuit of the Intellectual Property Claim. However, the Contractor must consent in writing to any settlement and any associated fees, costs, expenses, and monetary damages for which it may be responsible.
- 12.2.4** Unless otherwise set forth herein, **Section 12.2** is not subject to any limitations of liability in this Master Agreement or in any other document executed in conjunction with this Master Agreement.

XIV. General Provisions

14.1 Records Administration and Audit

- 14.1.1** The Contractor shall maintain books, records, documents, and other evidence pertaining to this Master Agreement and Orders placed by Purchasing Entities under it to the extent and in such detail as will adequately reflect performance and administration of payments and fees. Contractor shall permit the Lead State, a Participating Entity, a Purchasing Entity, the federal government (including its grant awarding entities and the U.S. Comptroller General), and any other duly authorized agent of a governmental agency, to audit, inspect, examine, copy and/or transcribe Contractor's books, documents, papers and records directly pertinent to this Master Agreement or orders placed by a Purchasing Entity under it for the purpose of making audits, examinations, excerpts, and transcriptions. This right will survive for a period of six (6) years following termination of this Agreement or final payment for any order placed by a Purchasing Entity against this Master Agreement, whichever is later, or such longer period as is required by the Purchasing Entity's state statutes, to assure compliance with the terms hereof or to evaluate performance hereunder.
- 14.1.2** Without limiting any other remedy available to any governmental entity, the Contractor shall reimburse the applicable Lead State, Participating Entity, or Purchasing Entity for any overpayments inconsistent with the terms of the Master Agreement or Orders or underpayment of fees found as a result of the examination of the Contractor's records.
- 14.1.3** The rights and obligations herein exist in addition to any quality assurance obligation in the Master Agreement that requires the Contractor to self-audit contract obligations and that permits the Lead State to review compliance with those obligations.
- 14.1.4** The disclosure of records in Participating States relating to Participating Addenda and Orders placed against the Master Agreement shall be governed by the laws of the Participating Entity that placed the Order. Records will be retained longer if required by Participating Entity's law.
- 14.1.5** Contractor will be advised with reasonable prior written notice of each audit. The parties will work together in good faith to establish an audit process that does not interfere with Contractor's ability to perform its obligations under this Master Agreement or any other agreement, or compromise any reasonable security processes or procedures. Contractor will provide the auditor with information reasonably required to affect the audit, provided however that Contractor reserves the right to impose limitation or require additional assurances from Participating Entity and its auditor as may be necessary to protect the Confidential Information of Contractor to the extent such limitations and assurances are not in conflict with Participating Entity's governing laws. In no event will Contractor be required to provide Participating Entity or its auditor with access to Contractor's internal Products/Services labor and cost data, or data related to employees or other customers of Contractor to the extent it is not in conflict with Participating Entity's governing law.

- 14.2.1.2** Any reports or other documents or items (including software) that result from the use of the Confidential Information by Contractor shall be treated in the same manner as the Confidential Information.
- 14.2.1.3** Confidential Information does not include information that (1) is or becomes (other than by disclosure by Contractor) publicly known; (2) is furnished by Purchasing Entity to others without restrictions similar to those imposed by this Master Agreement; (3) is rightfully in Contractor's possession without the obligation of nondisclosure prior to the time of its disclosure under this Master Agreement; (4) is obtained from a source other than Purchasing Entity without the obligation of confidentiality, (5) is disclosed with the written consent of Purchasing Entity; or (6) is independently developed by employees, agents or subcontractors of Contractor who can be shown to have had no access to the Confidential Information.

- 14.2.2.2** Without limiting the generality of the foregoing, Contractor shall advise Purchasing Entity, applicable Participating Entity, and the Lead State immediately if Contractor learns or has reason to believe that any person who has had access to Confidential Information has violated or intends to violate the terms of this Master Agreement, and Contractor shall at its expense cooperate with Purchasing Entity in seeking injunctive or other equitable relief in the name of Purchasing Entity or Contractor against any such person.
- 14.2.2.3** Except as directed by Purchasing Entity, Contractor will not at any time during or after the term of this Master Agreement disclose, directly or indirectly, any Confidential Information to any person, except in

14.2.2.4 Notwithstanding the foregoing, Contractor may keep one copy of such Confidential Information necessary for quality assurance, audits, and evidence of the performance of this Master Agreement.

14.2.3 Injunctive Relief. Contractor acknowledges that Contractor's breach of **Section 14.2** would cause irreparable injury to the Purchasing Entity that cannot be adequately compensated in monetary damages. Accordingly, Purchasing Entity may seek and obtain injunctive relief against the breach or threatened breach of the foregoing undertakings, in addition to any other legal remedies that may be available. Contractor acknowledges and agrees that the covenants contained herein are necessary for the protection of the legitimate business interests of Purchasing Entity and are reasonable in scope and content.

14.2.4 Purchasing Entity Law. These provisions will be applicable only to extent they are not in conflict with the applicable public disclosure laws of any Purchasing Entity.

14.2.5 NASPO ValuePoint. The rights granted to Purchasing Entities and Contractor's obligations under this section will also extend to NASPO ValuePoint's Confidential Information, including but not limited to Participating Addenda, Orders or transaction data relating to Orders under this Master Agreement that identify the entity/customer, Order dates, line-item descriptions and volumes, and prices/rates. This provision does not apply to disclosure to the Lead State, a Participating State, or any governmental entity exercising an audit, inspection, or examination pursuant to this Master Agreement. To the extent permitted by law, Contractor shall notify the Lead State of the identity of any entity seeking access to the Confidential Information described in this subsection.

14.2.6 Public Information. This Master Agreement and all related documents are subject to disclosure pursuant to the Lead State's public information laws.

14.3 Assignment/Subcontracts

14.3.1 Contractor shall not assign, sell, transfer, subcontract or sublet rights, or delegate responsibilities under this Master Agreement, in whole or in part, without the prior written approval of the Lead State.

14.3.2 The Lead State reserves the right to assign any rights or duties, including written assignment of contract administration duties, to NASPO ValuePoint and other third parties.

14.4 Changes in Contractor Representation. The Contractor must, within ten (10) calendar days, notify the Lead State in writing of any changes in the Contractor's key administrative personnel managing the Master Agreement. The Lead State reserves the right to approve or reject changes in key personnel, as identified in the Contractor's proposal. The Contractor shall propose replacement key personnel having substantially equal or better education, training, and experience as was possessed by the key person proposed and evaluated in the Contractor's proposal.

- 14.5 Independent Contractor.** Contractor is an independent contractor. Contractor has no authorization, express or implied, to bind the Lead State, Participating States, other Participating Entities, or Purchasing Entities to any agreements, settlements, liability or understanding whatsoever, and shall not to hold itself out as agent except as expressly set forth herein or as expressly set forth in an applicable Participating Addendum or Order.
- 14.6 Cancellation.** Unless otherwise set forth herein, this Master Agreement may be canceled by either party upon sixty (60) days' written notice prior to the effective date of the cancellation. Further, any Participating Entity may cancel its participation upon thirty (30) days' written notice, unless otherwise limited or stated in the Participating Addendum. Cancellation may be in whole or in part. Any cancellation under this provision will not affect the rights and obligations attending Orders outstanding at the time of cancellation, including any right of a Purchasing Entity to indemnification by the Contractor, rights of payment for Products delivered and accepted, rights attending any warranty or default in performance in association with any Order, and requirements for records administration and audit. Cancellation of the Master Agreement due to Contractor default may be immediate.
- 14.7 Force Majeure.** Neither party to this Master Agreement shall be held responsible for delay or default caused by fire, riot, unusually severe weather, other acts of God, acts of war which are beyond that party's reasonable control, pandemics, or epidemics that would negatively impact supply chain distribution. The Lead State may terminate this Master Agreement upon determining such delay or default will reasonably prevent successful performance of the Master Agreement. This clause does not absolve Purchasing Entity of their payment obligations for goods or services received. Past due account charges will not accrue until the conclusion of the Force Majeure event, at which point Contractor shall also be expected to resume their Service obligations.
- 14.8 Defaults and Remedies**
- 14.8.1** The occurrence of any of the following events will be an event of default under this Master Agreement:
- 14.8.1.1** Nonperformance of contractual requirements;
 - 14.8.1.2** A material breach of any term or condition of this Master Agreement;
 - 14.8.1.3** Any certification, representation or warranty by Contractor in response to the solicitation or in this Master Agreement that proves to be untrue or materially misleading;
 - 14.8.1.4** Institution of proceedings under any bankruptcy, insolvency, reorganization or similar law, by or against Contractor, or the appointment of a receiver or similar officer for Contractor or any of its property, which is not vacated or fully stayed within thirty (30) calendar days after the institution or occurrence thereof; or
 - 14.8.1.5** Any default specified in another section of this Master Agreement.
- 14.8.2** Upon the occurrence of an event of default, the Lead State shall issue a written notice of default, identifying the nature of the default, and providing a period of fifteen (15) business days in which Contractor shall have an opportunity to cure the default. The Lead State shall not be required to provide advance written notice or a cure period and may immediately terminate this Master Agreement in whole or in part if the Lead State, in its sole discretion, determines that it is reasonably necessary to preserve public safety or prevent immediate public

crisis. Time allowed for cure will not diminish or eliminate Contractor's liability for damages, including liquidated damages to the extent provided for under this Master Agreement.

14.8.3 If Contractor is afforded an opportunity to cure and fails to cure the default within the period specified in the written notice of default, Contractor shall be in breach of its obligations under this Master Agreement and the Lead State shall have the right to exercise any or all of the following remedies:

14.8.3.1 Any remedy provided by law;

14.8.3.2 Termination of this Master Agreement and any related Contracts or portions thereof;

14.8.3.3 Assessment of liquidated damages as provided in this Master Agreement;

14.8.3.4 Suspension of Contractor from being able to respond to future bid solicitations; and

14.8.3.5 Suspension of Contractor's performance.

14.8.4 Unless otherwise specified in the Participating Addendum, in the event of a default under a Participating Addendum, a Participating Entity shall provide a written notice of default as described in this section and shall have all of the rights and remedies under this paragraph regarding its participation in the Master Agreement, in addition to those set forth in its Participating Addendum. Unless otherwise specified in an Order, a Purchasing Entity shall provide written notice of default as described in this section and have all of the rights and remedies under this paragraph and any applicable Participating Addendum with respect to an Order placed by the Purchasing Entity. Nothing in these Master Agreement Terms and Conditions will be construed to limit the rights and remedies available to a Purchasing Entity under the applicable commercial code.

14.9 Waiver of Breach. Failure of the Lead State, Participating Entity, Contractor, or Purchasing Entity to declare a default or enforce any rights and remedies will not operate as a waiver under this Master Agreement, any Participating Addendum, or any Purchase Order. Any waiver by the Lead State, Participating Entity, Contractor, or Purchasing Entity must be in writing. Waiver by the Contractor, Lead State or Participating Entity of any default, right or remedy under this Master Agreement or Participating Addendum, or by Purchasing Entity with respect to any Purchase Order, or breach of any terms or requirements of this Master Agreement, a Participating Addendum, or Purchase Order will not be construed or operate as a waiver of any subsequent default or breach of such term or requirement, or of any other term or requirement under this Master Agreement, any Participating Addendum, or any Purchase Order.

14.10 Debarment. The Contractor certifies that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in public procurement or contracting by any governmental department or agency. This certification represents a recurring certification made at the time any Order is placed under this Master Agreement. If the Contractor cannot certify this statement, attach a written explanation for review by the Lead State.

14.11 No Waiver of Sovereign Immunity

14.11.1 In no event will this Master Agreement, any Participating Addendum or any

contract or any Purchase Order issued thereunder, or any act of the Lead State, a Participating Entity, or a Purchasing Entity be a waiver of any form of defense or immunity, whether sovereign immunity, governmental immunity, immunity based on the Eleventh Amendment to the Constitution of the United States or otherwise, from any claim or from the jurisdiction of any court.

- 14.11.2** This section applies to a claim brought against the Participating Entities who are states only to the extent Congress has appropriately abrogated the state's sovereign immunity and is not consent by the state to be sued in federal court. This section is also not a waiver by the state of any form of immunity, including but not limited to sovereign immunity and immunity based on the Eleventh Amendment to the Constitution of the United States.

14.12 Governing Law and Venue

- 14.12.1** The laws of the Lead State shall govern the construction and effect of this Master Agreement. Venue for any administrative or judicial action relating to this Master Agreement shall be in the City and County of Denver, Colorado.
- 14.12.2** The construction and effect of any Participating Addendum or Order against this Master Agreement shall be governed by and construed in accordance with the laws of the Participating Entity's or Purchasing Entity's State.
- 14.12.3** If a claim is brought in a federal forum, then it must be brought and adjudicated solely and exclusively within the United States District Court ("USDC"). Pursuant to Fed. R. Div. P. 40, Assignment of Cases for Trial, the USDC shall give priority to actions entitled to priority by a federal statute.

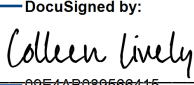

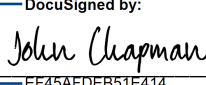

- 14.13 Assignment of Antitrust Rights.** Contractor irrevocably assigns to a Participating Entity who is a state any claim for relief or cause of action which the Contractor now has or which may accrue to the Contractor in the future by reason of any violation of state or federal antitrust laws (15 U.S.C. § 1-15 or a Participating Entity's state antitrust provisions), as now in effect and as may be amended from time to time, in connection with any goods or services provided in that state for the purpose of carrying out the Contractor's obligations under this Master Agreement or Participating Addendum, including, at the Participating Entity's option, the right to control any such litigation on such claim for relief or cause of action.

- 14.14 Survivability.** Unless otherwise explicitly set forth in a Participating Addendum or Order, the terms of this Master Agreement as they apply to the Contractor, Participating Entities, and Purchasing Entities, including but not limited to pricing and the reporting of sales and payment of administrative fees to NASPO ValuePoint, shall survive expiration of this Master Agreement and shall continue to apply to all Participating Addenda and Orders until the expiration thereof.

4.4 Any new technology must be priced according to the lowest discount offered for any Product under the Master Agreement. No discount or a 0% discount does not qualify as a "lowest" discount.

III. **Purchase and Lease Programs**

A. **Acquisition Methods.** Contractor may offer the following:

Financial Vehicle	Standard Terms Offered
Purchase	N/A
Fair Market Value Lease	24, 36, 48 and 60 months

C. Lease Rates

1. Contractor may elect to include property tax in their lease rates, or they may bill the Purchasing Entity separately for property tax.
2. Once a Purchasing Entity enters into a lease agreement, the lease rate must remain fixed throughout the Initial Lease Term, regardless of whether the Contractor had increased their lease rates in the Master Agreement Price Lists. If Contractor has decreased their lease rates in their Price Lists, then they may extend that lower rate to the Purchasing Entity.

6. Lease rates must be proposed as a decimal multiplying factor in such a manner that the purchase price of the Device may be multiplied by the lease rate to arrive at the resulting monthly Device Payment. Proposed rates must include the following information:
 - 6.1 The Daily Treasury Yield Curve (or comparable index) Rate;
 - 6.2 The date used for the Daily Treasury Yield Curve (or comparable index) Rate;
 - a. The fixed margin for each lease type being proposed, and how that margin is determined; and
 - b. The methodology for determining the 48 month base rate if a 4-year rate is not published.
 - 6.3 Contractor must offer Coterminal lease rates to any Purchasing Entity wishing to add Products to an existing lease agreement. The calculation for the Coterminal

lease rates must adhere to the following methodology:

For example: *A customer enters into a 36 month FMV Lease, and 12 months into that lease, they decide to add an Accessory to the Base Unit. The Contractor shall divide the 36 month cumulative Device Payment by 24 months to arrive at the monthly Coterminous payment for that Accessory. That payment will then be added to the existing Device Payment. The new Total Monthly Payment must then be disclosed to the Purchasing Entity.*

Contractor or Authorized Dealer is not permitted to bill the Purchasing Entity for failure of Contractor or Authorized Dealer to pickup the Device when Purchasing Entity has made it available.

9. Contractor and/or Authorized Dealers shall be responsible for all Device pickup and return costs.
10. The maximum term on any Initial Lease Term shall be 60 months.
11. The length of a Renewal Term shall be at the discretion of the Participating State or Entity, but at no time shall the Renewal Term exceed the Useful Life of the Device.

In addition, it will be at the discretion of each Participating State or Entity as to whether they will utilize the Authorized Dealers as approved by the Lead State. Under no circumstances is a Participating State or Entity permitted to use a Dealer that has not been approved by the Lead State.
7. If an Authorized Dealer is performing unsatisfactorily, or is not in compliance with the Master Agreement, then it shall be at the discretion of the Lead State, upon recommendation from the Participating State, to:
 - 7.1 Require the Dealer to attend remedial training with either the Contractor or the Lead

State or;

- 7.2 Remove the Dealer from the Contract, or in the case of multiple branch locations in one state, or multiple states, remove them as a Dealer from the location in which they are not in compliance.

D. Device Demonstration Requirements

1. Contractor may offer trial or demonstration Devices for Group A, Group B, Group D, Sub-Group D1, Group E, and Group F.

2. **Sensitive Information.** Sensitive information that is contained in any Legacy Devices or applications shall be encrypted if practical. In addition, sensitive data will be encrypted in all newly developed applications. Since sensitive information is subjective, it shall be defined by each Participating State or Entity in their Participating Addendum.

- 5.4 Hard drive sanitation shall be at no expense to the Purchasing Entity, however; Contractor may charge the Purchasing Entity a fee if the Purchasing Entity elects to keep the hard drive in their possession. Contractor must disclose the price for removal and surrender of the hard drive, prior to Order placement.
- 5.5 If the hard drive is not removable, or the Device does not contain a hard drive, then Contractor must convey this to the Purchasing Entity at the time of Order placement. In the case of a non-removable hard drive, **section IV.I (5.1)** shall apply.
- 5.6 If Contractor is removing another Manufacturer's Device, they are not permitted to remove the hard drive. **STATE AND LOCAL GOVERNMENT MASTER FAIR MARKET VALUE (FMV)
LEASE AGREEMENT**

This State and Local Government Master FMV Lease Agreement (together with Exhibits A and B attached hereto and hereby made a part hereof, (this "Master Lease Agreement"), dated as of _____, is entered into by and between Hewlett-Packard Financial Services Company¹, a Delaware corporation ("Lessor"), and _____, _____, an agency, department, institution of higher education, or political subdivision of the State of ____ ("Lessee"). Capitalized terms used in this Master Lease Agreement without definition have the meanings ascribed to them in Section 30.

1. PURPOSE OF MASTER LEASE AGREEMENT. The purpose of this Master Lease Agreement is to set forth the general terms and conditions upon which Lessor shall lease to Lessee, and Lessee shall lease from Lessor, items of Hardware, Software or both (such Hardware and Software being collectively referred to as "Equipment").

2. COMMENCEMENT PROCEDURES. Subject to the other terms and conditions contained in this Master Lease Agreement and the applicable Lease Schedule, Lessee shall enter into individual Leases (hereinafter defined) with Lessor as follows:

(a) Execution of Lease Schedule. Lessor and Lessee mutually agree to enter into a Lease by executing a Lease Schedule in the form of Exhibit A with such changes as Lessor and Lessee shall have agreed to as conclusively evidenced by their execution thereof. Each such Lease Schedule shall specifically identify (by serial number or other identifying characteristics) the items of Equipment to be leased under such Lease Schedule (other than items of System Software, which shall be deemed to be items of Software leased under the Lease Schedule pursuant to which the related items of Hardware are leased). Each Lease Schedule, when executed by both Lessee and Lessor, together with this Master Lease Agreement, shall constitute a separate and distinct lease ("Lease"), enforceable according to its terms.

(b) Acceptance: Initial Term of Leases. Lessee shall accept the Equipment subject to a Lease in accordance with Section 3. The Initial Term of each Lease shall begin on the Acceptance Date of the Equipment subject to such Lease and shall continue for the period described in the applicable Lease Schedule unless a Non-appropriation shall have occurred.

(c) Adjustments to Lease Schedule. Lessee acknowledges that the Total Cost of Equipment and the related Rent payments set forth in any Lease Schedule may be estimates, and if the final invoice from the Seller attached to the related Acceptance Certificate(s) specifies a Total Cost that is less than the estimated Total Cost set forth in the Lease Schedule, Lessee hereby authorizes Lessor to reduce the applicable Total Cost and Rent payment on the Lease Schedule by up to ten percent (10%) to reflect such final invoice amount (the "Final Invoice Amount"). All references in this Master Lease Agreement and any Lease Schedule to Total Cost and Rent shall mean the amounts thereof specified in the applicable Lease, as adjusted pursuant to this paragraph.

(d) Payment by Lessor. Within 30 days after Lessee's delivery to Lessor of a properly completed and executed Acceptance Certificate and all other documentation necessary to establish Lessee's acceptance of such Equipment under the related Lease and Lessor's acceptance of such Acceptance Certificate, Lessor shall pay the Contractor for the Equipment. Lessor shall not accept the Acceptance Certificate until it has received from Lessee (1) evidence of insurance with respect to the Equipment in compliance with Section 13 hereof, (2) an opinion of Lessee's counsel, if required by Lessor, in form and substance reasonably satisfactory to Lessor and (3) any other documents or items reasonably required by Lessor. Notwithstanding the foregoing, Lessor shall not be obligated to pay to the Contractor for the Equipment if a Lessee Default has occurred or an event has occurred and is continuing that with the passage of time or provision of notice would constitute a Lessee Default.

3. ACCEPTANCE OF EQUIPMENT.

(a) Inspection of Equipment. Lessee agrees to inspect all Equipment as soon as reasonably practicable after the delivery thereof to Lessee.

(b) Acceptance Certificate. Upon the satisfactory inspection of the Equipment by Lessee, or if acceptance requirements for such Equipment are specified in the applicable Purchase Documents, as soon as such requirements are met, Lessee shall unconditionally and irrevocably accept the Equipment by executing and delivering to Lessor a properly completed Acceptance Certificate in substantially the form of Exhibit B.

4. LESSEE'S END-OF-LEASE-TERM OPTIONS. Lessee shall have the following options in respect of each Lease at the end of each of the Initial Term, any Renewal Term and any optional extension of the Initial Term or any Renewal Term:

a. Purchase Option. As an accommodation to Lessee, Lessor agrees to provide Lessee with notice ninety (90) days prior to the expiration of the Initial Term that an End-of-Term Notice from Lessee is due; provided, however, that Lessor's failure to provide Lessee with said notice shall not be deemed to have relieved Lessee of any of Lessee's obligations or liabilities under this Lease Schedule or the Master Lease Agreement. Lessee may elect, by delivering to Lessor an End-of-Term Notice at least 30 days prior to the expiration of the Initial Term, any Renewal Term or any optional extension of the Initial Term or any Renewal Term, to purchase any or all Units of Equipment then

¹ Authorized to do business in the name of Hewlett-Packard Financial Services Company, Inc. in the states of Alabama and New York.

subject to such Lease (other than items of Software that may not be sold by Lessor under the terms of any applicable License Agreement) for an amount equal to the Fair Market Value of such Units of Equipment as of the end of the Then Applicable Term, provided no Lessee Default shall have occurred and be continuing. In the event of such an election, Lessee shall pay such amount to Lessor, in immediately available funds, on or before the last day of the Then Applicable Term. If Lessee shall have so elected to purchase any of the Units of Equipment, shall have so paid the applicable purchase price and shall have fulfilled the terms and conditions of this Master Lease Agreement, then on the last day of the Then Applicable Term (1) the Lease with respect to such Units of Equipment shall terminate and, except as provided in Section 26, Lessee shall be relieved of all of its obligations in favor of Lessor with respect to such Units of Equipment, and (2) Lessor shall transfer all of its interest in such Units of Equipment to Lessee "AS IS, WHERE IS," without any warranty, express or implied, from Lessor, other than the absence of any liens or claims by or through Lessor. In the event Lessor and Lessee are unable to agree on the Fair Market Value of any Units of Equipment, Lessor shall, at Lessee's expense, select an independent appraiser to conclusively determine such amount.

b. Reserved.

c. Return. Lessee may elect, by delivering to Lessor an End-of-Term Notice at least 30 days prior to the expiration of the Initial Term, any Renewal Term or any optional extension of the Initial Term or any Renewal Term, to return any or all of the Units of Equipment then subject to such Lease Schedule in accordance with Section 10 of this Master Lease Agreement.

IF LESSEE SHALL HAVE DELIVERED TO LESSOR AN END-OF-TERM NOTICE BY THE DATE SET FORTH HEREIN WITH RESPECT TO A LEASE, BUT SHALL HAVE SUBSEQUENTLY FAILED TO COMPLY WITH ITS OBLIGATIONS ARISING FROM ITS ELECTIONS SPECIFIED THEREIN (E.G., LESSEE SHALL HAVE FAILED, ON OR BEFORE THE LAST DAY OF THE THEN APPLICABLE TERM (1) TO PAY LESSOR THE PURCHASE PRICE FOR EQUIPMENT TO BE PURCHASED IN ACCORDANCE WITH SECTION 4(A) ABOVE, OR (2) TO RETURN TO LESSOR EQUIPMENT TO BE RETURNED IN ACCORDANCE WITH SECTION 4(C) ABOVE), THEN LESSEE SHALL CONTINUE TO PAY TO LESSOR RENT IN AN AMOUNT EQUAL TO THE MONTHLY RENT PAYMENT IN EFFECT DURING THE INITIAL TERM (OR THE APPROPRIATE PRO RATA PORTION OF THE RENT PAYMENT THEN IN EFFECT IN THE CASE OF RENT PAYABLE OTHER THAN ON A MONTHLY BASIS), ON A MONTH TO MONTH BASIS WITHOUT ANY ADDITIONAL NOTICE OR DOCUMENTATION UNTIL THE MUTUALLY AGREED UPON RETURN DATE OF THE EQUIPMENT. ALL OTHER PROVISIONS OF THIS MASTER LEASE AGREEMENT AND THE APPLICABLE LEASE SCHEDULE SHALL CONTINUE TO APPLY. NOTWITHSTANDING ANY OF THE PROVISIONS OF THIS SECTION 4 TO THE CONTRARY, IF ANY LESSEE DEFAULT SHALL HAVE OCCURRED AND BE CONTINUING AT ANY TIME DURING THE LAST 90 DAYS OF THE THEN APPLICABLE TERM OF ANY LEASE SCHEDULE, LESSOR MAY CANCEL ANY RENEWAL TERM OR OPTIONAL EXTENSION OF THE THEN APPLICABLE TERM IMMEDIATELY UPON WRITTEN NOTICE TO LESSEE.

5. RENT; LATE CHARGES. As lease payments ("Rent") for the Equipment under any Lease Schedule, Lessee agrees to pay the amounts specified in the applicable Lease Schedule on the due dates specified in the applicable Lease Schedule. Lessee agrees to pay Lessor interest on any Rent payment or other amount due hereunder that is not paid within 15 days of its due date, at the rate of 1% per month (or such lesser rate as is the maximum rate allowable under applicable law). Lessee will make provision for such payments in budgets submitted to its governing body for the purpose of obtaining funding for the payments.

6. LEASES NON-CANCELABLE; NET LEASES; WAIVER OF DEFENSES TO PAYMENT. IT IS SPECIFICALLY UNDERSTOOD AND AGREED THAT EACH LEASE HEREUNDER SHALL BE NON-CANCELABLE (EXCEPT AS SET FORTH IN SECTION 7 HEREOF), AND THAT EACH LEASE HEREUNDER IS A NET LEASE (SO THAT AMONG OTHER THINGS LESSEE SHALL PAY IN ADDITION TO THE RENT, TAXES, INSURANCE AND MAINTENANCE CHARGES RELATED TO THE EQUIPMENT). LESSEE AGREES THAT IT HAS AN ABSOLUTE AND UNCONDITIONAL OBLIGATION TO PAY ALL RENT AND OTHER AMOUNTS WHEN DUE. LESSEE HEREBY WAIVES ANY RECOUPMENT, CROSS-CLAIM, COUNTERCLAIM OR ANY OTHER DEFENSE AT LAW OR IN EQUITY TO ANY RENT OR OTHER AMOUNT DUE WITH RESPECT TO ANY LEASE, WHETHER ANY SUCH DEFENSE ARISES OUT OF THIS MASTER LEASE AGREEMENT, ANY LEASE SCHEDULE, ANY CLAIM BY LESSEE AGAINST LESSOR, LESSOR'S ASSIGNEES OR SUPPLIER OR OTHERWISE. IF THE EQUIPMENT IS NOT PROPERLY INSTALLED, DOES NOT OPERATE OR INTEGRATE AS REPRESENTED OR WARRANTED BY SUPPLIER OR IS UNSATISFACTORY FOR ANY REASON WHATSOEVER, LESSEE WILL MAKE ANY CLAIM ON ACCOUNT OF THOSE ISSUES SOLELY AGAINST SUPPLIER AND WILL NEVERTHELESS PAY ALL SUMS DUE WITH RESPECT TO EACH LEASE.

7. NONAPPROPRIATION. Notwithstanding anything contained in this Master Lease Agreement to the contrary, in the event that sufficient funds are not appropriated and budgeted by Lessee's governing body or are not otherwise available from other legally available sources in any fiscal period for the payment of Rent and other amounts due under any Lease, the Lease shall terminate on the last day of the fiscal period for which appropriations were received or other amounts are available to pay amounts due under the Lease without penalty or expense to Lessee of any kind whatsoever, except as to the portions of Rent payments or other amounts herein agreed upon for which funds shall have been appropriated or are otherwise available. Lessee will immediately notify the Lessor or its assignee of such occurrence. In the event of such termination, Lessee shall immediately cease all use of the Equipment, and shall immediately de-install, disassemble, pack, crate, and return the Equipment subject to such Lease to Lessor (all in accordance with Section 10 of this Master Lease Agreement). Such Equipment shall be in the same condition as when received by Lessee (reasonable wear, tear and depreciation resulting from normal and proper use excepted), shall be in good operating order and maintenance as required by this Lease, shall be free and clear of any liens (except Lessor's lien) and shall comply with all applicable laws and regulations. Lessee agrees to execute and deliver to Lessor all documents reasonably requested by Lessor or evidence the transfer of legal and beneficial title to such Equipment to Lessor and to evidence the termination of Lessee's interest in such Equipment. Lessor will have all legal and equitable rights and remedies to take possession of the Equipment. At Lessor's request, Lessee shall promptly provide supplemental documentation as to such Non-Appropriation satisfactory to Lessor. Lessee's exercise of its rights pursuant to this Section 7 shall not affect the survival of any other provisions, including but not

limited to Section 16, (other than the obligation to lease the Equipment and pay amounts due under the Lease) which survive the termination of the Lease.

8. ASSIGNMENT OF PURCHASE DOCUMENTS. Lessee assigns to Lessor all of Lessee's right, title and interest in and to (a) the Equipment described in each Lease Schedule, and (b) the Purchase Documents relating to such Equipment. Such assignment of the Purchase Documents is an assignment of rights only; nothing in this Master Lease Agreement shall be deemed to have relieved Lessee of any obligation or liability under any of the Purchase Documents, except that, as between Lessee and Lessor, Lessor shall pay the Contractor for the Equipment in accordance with Section 2(d) hereof. Lessee represents and warrants that it has reviewed and approved the Purchase Documents. In addition, if Lessor shall so request, Lessee shall deliver to Lessor a document acceptable to Lessor whereby Seller acknowledges and provides any required consent to such assignment. For the avoidance of doubt, Lessee covenants and agrees that it shall at all times during the Total Term of each Lease comply in all respects with the terms of any License Agreement relating to any Equipment leased thereunder. **IT IS ALSO SPECIFICALLY UNDERSTOOD AND AGREED THAT NEITHER SUPPLIER NOR ANY SALESPERSON OF SUPPLIER IS AN AGENT OF LESSOR, NOR ARE THEY AUTHORIZED TO WAIVE OR ALTER ANY TERMS OF THIS MASTER LEASE AGREEMENT OR ANY LEASE SCHEDULE.**

9. ASSIGNMENT OF SUPPLIER WARRANTIES. To the extent permitted, Lessor hereby assigns to Lessee, for the Total Term of any Lease, all Equipment warranties provided by any Supplier in the applicable Purchase Documents. Lessee shall have the right to take any action it deems appropriate to enforce such warranties. In the event Lessee is precluded from enforcing any such warranty in its name, Lessor shall, upon Lessee's request, take reasonable steps to enforce such warranty. In such circumstances, Lessee shall, promptly upon demand, reimburse Lessor for all expenses incurred by Lessor in enforcing the Supplier warranty. Any recovery resulting from any such enforcement efforts shall be divided between Lessor and Lessee as their interests may appear.

10. EQUIPMENT RETURN REQUIREMENTS. At any time Lessee is required to return Equipment to Lessor under the terms of this Master Lease Agreement or any Lease Schedule, Lessee shall cause the Contractor to de-install and make the Equipment available for pick-up pursuant to the terms and conditions stated in the applicable Lease Schedule. In the case of any item of Software or License Agreement subject to a Lease Schedule, at the time of the occurrence of a Non-Appropriation or a Lessee Default, Lessee shall also be automatically deemed to have reassigned any License Agreement, and all Software.

11. EQUIPMENT USE, MAINTENANCE, AND ADDITIONS. Lessee is solely responsible for the selection, and operation of the Equipment and all costs related thereto. Lessee shall at all times operate and maintain the Equipment in good working order, repair, condition and appearance, and in accordance with the manufacturer's specifications and recommendations. On reasonable prior notice to Lessee, Lessor and Lessor's agents shall have the right, during Lessee's normal business hours and subject to Lessee's reasonable, standard security procedures, to enter the premises where the Equipment is located for the purpose of inspecting the Equipment and observing its use. If Lessor shall have provided to Lessee any tags or identifying labels, Lessor shall affix and maintain in a prominent position on each item of Equipment such tags or labels to indicate Lessor's ownership of the Equipment. Except in the case of Software, Lessee shall, at its expense, enter into and maintain and enforce at all times during the Total Term of each Lease a maintenance agreement to service and maintain the related Equipment, upon terms, and with a provider reasonably acceptable to Lessor. Lessee shall make no alterations or additions to the Equipment, except those that (a) will not void any warranty made by the Supplier of the Equipment, result in the creation of any security interest, lien or encumbrance on the Equipment or impair the value or use of the Equipment either at the time made or at the end of the Term of the applicable Lease, and are readily removable without damage to the Equipment ("Optional Additions"), or (b) are required by any applicable law, regulation or order. All additions to the Equipment or repairs made to the Equipment, except Optional Additions, become a part of the Equipment and Lessor's property at the time made; Optional Additions which have not been removed in the event of the return of the Equipment shall become Lessor's property upon such return.

12. EQUIPMENT OWNERSHIP; LIENS; LOCATION. As between Lessor and Lessee, Lessor is the sole owner of the Equipment and has sole title thereto, Lessee shall not make any representation to any third party inconsistent with Lessor's sole ownership of the Equipment. Lessee covenants with respect to each Lease that: (i) it will not pledge or encumber the Equipment or Lessor's interest in the Equipment in any manner whatsoever nor create or permit to exist any levy, lien or encumbrance thereof or thereon except those created by or through Lessor; (ii) the Equipment shall remain personal property whether or not affixed to realty and shall not become a fixture or be made to become a part of any real property on which it is placed without Lessor's prior written consent; and (iii) Lessee shall maintain the Equipment so that it does not become essential to and may be removed from any building in which it is placed without any damage to the building or the Equipment. Lessee may permit use of the Equipment by its affiliates or independent contractors at the Equipment Location provided it does not relinquish possession and control of the Equipment. Provided Lessee remains in possession and control of the Equipment, Lessee may relocate any Equipment from the Equipment Location specified in the applicable Lease Schedule to another of its locations within the State of the Equipment Location upon prior written notice to Lessor specifying the new Equipment Location or to another of its locations within the United States after receiving the written consent of Lessor to such relocation. Lessee shall not locate or relocate any Equipment such that any third party comes into possession or control thereof without Lessor's prior written consent; provided, however, that Lessor shall not unreasonably withhold its consent to the location or relocation of Equipment to a third party co-location or hosting facility if such third party shall have executed and delivered to Lessor a waiver agreement in form and substance acceptable to Lessor pursuant to which, among other things, such third party shall have waived any rights to the Equipment and agreed to surrender the Equipment to Lessor in the event of a Lessee Default under this Master Lease Agreement. Notwithstanding the foregoing, Lessor agrees that equipment usable outside of a fixed office environment, may be relocated on a non-permanent basis from the Equipment Location originally specified in the applicable Lease Schedule without Equipment; (ii) the primary employee remains in possession and control of the Equipment, and (iii) the primary employee's principal office is the Equipment Location.

13. RISK OF LOSS AND INSURANCE. Lessee assumes any and all risk of loss or damage to the Equipment from the time such Equipment is in Lessee's possession until such Equipment is returned to and is received by Lessor in accordance with the terms and

conditions of this Master Lease Agreement. Lessee agrees to keep the Equipment insured at Lessee's expense against all risks of loss from any cause whatsoever, including without limitation, loss by fire (including extended coverage), theft and damage. Lessee agrees that such insurance shall name Lessor as a loss payee and cover not less than the replacement value of the Equipment. Lessee also agrees that it shall carry commercial general liability insurance in an amount not less than \$2,000,000 total liability per occurrence and cause Lessor and its affiliates and its and their successors and assigns, to be named additional insureds under such insurance. Each policy shall provide that the insurance cannot be canceled without at least 30 days' prior written notice to Lessor, and no policy shall contain a deductible in excess of \$25,000. Upon Lessor's prior written consent, in lieu of maintaining insurance obtained by third party insurance carriers, Lessee may self-insure against such risks, provided that Lessor's interests are protected to the same extent as if the insurance had been obtained by third party insurance carriers and provided further that such self-insurance program is consistent with prudent business practices with respect with such insurance risk. Lessee shall provide to Lessor (a) on or prior to the Acceptance Date for each Lease, and from time to time thereafter, certificates of insurance evidencing such insurance coverage throughout the Total Term of each Lease, and (b) upon Lessor's request, copies of the insurance policies. If Lessee fails to provide Lessor with such evidence, then Lessor will have the right, but not the obligation, to purchase such insurance protecting Lessor at Lessee's expense. Lessee's expense shall include the full premium paid for such insurance and any customary charges, costs or fees of Lessor. Lessee agrees to pay such amounts in substantially equal installments allocated to each Rent payment (plus interest on such amounts at the rate of 1% per month or such lesser rate as is the maximum rate allowable under applicable law).

14. CASUALTY LOSS. Lessee shall notify Lessor of any Casualty Loss or repairable damage to any Equipment as soon as reasonably practicable after the date of any such occurrence but in no event later than 30 days after such occurrence. In the event any Casualty Loss shall occur, on the next Rent payment date Lessee shall (a) at Lessee's option provided no Lessee Default has occurred nor an event that with the passage of time or provision of notice would constitute a Lessee Default has occurred and is continuing or (b) at Lessor's option if a Lessee Default has occurred or an event that with the passage of time or provision of notice would constitute a Lessee Default has occurred and is continuing (1) subject to Section 7 hereof, pay Lessor the Stipulated Loss Value of the Equipment suffering the Casualty Loss, or (2) substitute and replace each item of Equipment suffering the Casualty Loss with an item of Substitute Equipment. If Lessee shall pay the Stipulated Loss Value of the Equipment suffering a Casualty Loss, upon Lessor's receipt in full of such payment the applicable Lease shall terminate as it relates to such Equipment and, except as provided in Section 26, Lessee shall be relieved of all obligations under the applicable Lease as it relates to such Equipment. If Lessee shall replace Equipment suffering a Casualty Loss with items of Substitute Equipment (i) the applicable Lease shall continue in full force and effect without any abatement of Rent with such Substitute Equipment thereafter being deemed to be Equipment leased thereunder, and (ii) Lessee shall deliver to Lessor a bill of sale or other documentation, in either case in form and substance satisfactory to Lessor, in which Lessee shall represent and warrant that it has transferred to Lessor good and marketable title to all Substitute Equipment, free and clear of all liens, encumbrances and claims of others. Upon Lessor's receipt of such payment of Stipulated Loss Value in full, or such bill of sale or other documentation, as the case may be, Lessor shall transfer to Lessee all of Lessor's interest in the Equipment suffering the Casualty Loss "AS IS, WHERE IS," without any warranty, express or implied, from Lessor, other than the absence of any liens or claims by or through Lessor. In the event of any repairable damage to any Equipment, the Lease shall continue with respect to such Equipment without any abatement of Rent and Lessee shall, at its expense, from insurance proceeds or other funds legally available, promptly cause such Equipment to be repaired to the condition it is required to be maintained pursuant to Section 11.

15. TAXES. Lessor shall report and pay all applicable Taxes now or hereafter imposed or assessed by any governmental body, agency or taxing authority upon the purchase, ownership, delivery, installation, leasing, rental, use or sale of the Equipment, the Rent or other charges payable hereunder, or otherwise upon or in connection with any Lease, whether assessed on Lessor or Lessee, other than any such Taxes required by law to be reported and paid by Lessee. Lessee shall promptly reimburse Lessor for all such applicable Taxes paid by Lessor, together with any penalties or interest in connection therewith attributable to Lessee's acts or failure to act, excluding (a) Taxes on or measured by the overall gross or net income or items of tax preference of Lessor, (b) as to any Lease the related Equipment, Taxes attributable to the period after the return of such Equipment to Lessor, and (c) Taxes imposed as a result of a sale or other transfer by Lessor of any portions of its interest in any Lease or in any Equipment except for a sale or other transfer to Lessee or a sale or other transfer occurring after and during the continuance of any Lessee Default.

16. GENERAL LIABILITY. As between Lessor and Lessee, to the extent permitted by law, Lessee shall bear sole liability for any and all Claims arising directly or indirectly out of or in connection with any matter involving this Master Lease Agreement, the Equipment or any Lease Schedule, including but not limited to the selection, manufacture, purchase, acceptance, rejection, ownership, delivery, lease, possession, maintenance, use (including any patent, trademark or copyright infringement), condition, return or operation of any Equipment or the enforcement of Lessor's rights under any Lease. Notwithstanding the foregoing, Lessee shall have no liability for any Claim arising solely as a result of Lessor's gross negligence or willful misconduct.

17. COVENANT OF QUIET ENJOYMENT. So long as no Lessee Default exists, and no event shall have occurred and be continuing which, with the giving of notice or the passage of time or both, would constitute a Lessee Default, neither Lessor nor any party acting or claiming through Lessor, by assignment or otherwise, will disturb Lessee's quiet enjoyment of the Equipment during the Total Term of the related Lease.

18. DISCLAIMERS AND LESSEE WAIVERS. LESSEE LEASES THE EQUIPMENT FROM LESSOR "AS IS, WHERE IS". IT IS SPECIFICALLY UNDERSTOOD AND AGREED THAT (A) EXCEPT AS EXPRESSLY SET FORTH IN SECTION 17, LESSOR MAKES ABSOLUTELY NO REPRESENTATIONS OR WARRANTIES WHATSOEVER, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION, ANY REPRESENTATION OR WARRANTY WITH RESPECT TO THE DESIGN, COMPLIANCE WITH SPECIFICATIONS, QUALITY, OPERATION, OR CONDITION OF ANY EQUIPMENT (OR ANY PART THEREOF), THE MERCHANTABILITY OR FITNESS OF EQUIPMENT FOR A PARTICULAR PURPOSE, OR ISSUES REGARDING PATENT INFRINGEMENT, TITLE AND THE LIKE; (B) LESSOR SHALL NOT BE DEEMED TO HAVE MADE, BE BOUND BY OR LIABLE FOR, ANY REPRESENTATION, WARRANTY OR PROMISE MADE BY THE SUPPLIER OF ANY EQUIPMENT (EVEN IF LESSOR IS AFFILIATED WITH SUCH SUPPLIER); (C) LESSOR

SHALL NOT BE LIABLE FOR ANY FAILURE OF ANY EQUIPMENT OR ANY DELAY IN THE DELIVERY OR INSTALLATION THEREOF; (D) LESSEE HAS SELECTED ALL EQUIPMENT WITHOUT LESSOR'S ASSISTANCE; AND (E) LESSOR IS NOT A MANUFACTURER OF ANY EQUIPMENT. IT IS FURTHER AGREED THAT LESSOR SHALL HAVE NO LIABILITY TO LESSEE, LESSEE'S CUSTOMERS, OR ANY THIRD PARTIES FOR ANY INCIDENTAL, INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF THIS MASTER LEASE AGREEMENT OR ANY LEASE SCHEDULE OR CONCERNING ANY EQUIPMENT, OR FOR ANY DAMAGES BASED ON STRICT OR ABSOLUTE TORT LIABILITY OR LESSOR'S NEGLIGENCE; PROVIDED, HOWEVER, THAT NOTHING IN THIS MASTER LEASE AGREEMENT SHALL DEPRIVE LESSEE OF ANY RIGHTS IT MAY HAVE AGAINST ANY PERSON OTHER THAN LESSOR. LESSOR AND LESSEE AGREE THAT THE LEASES SHALL BE GOVERNED BY THE EXPRESS PROVISIONS OF THIS MASTER LEASE AGREEMENT AND THE APPLICABLE FUNDAMENTAL AGREEMENTS AND NOT BY THE CONFLICTING PROVISIONS OF ANY OTHERWISE APPLICABLE LAW. ACCORDINGLY, TO THE EXTENT PERMITTED BY APPLICABLE LAW, LESSEE WAIVES ANY RIGHTS AND REMEDIES CONFERRED UPON A LESSEE BY ARTICLE 2A OF THE UCC (INCLUDING, BUT NOT LIMITED TO, LESSEE'S RIGHTS, CLAIMS AND DEFENSES UNDER UCC SECTIONS 2A-303 AND 2A-508 THROUGH 2A-522) AND THOSE RIGHTS NOW OR HEREAFTER CONFERRED BY STATUTE OR OTHERWISE, IN EITHER CASE THAT ARE INCONSISTENT WITH OR THAT WOULD LIMIT OR MODIFY LESSOR'S RIGHTS SET FORTH IN THIS MASTER LEASE AGREEMENT.

19. LESSEE WARRANTIES. Lessee represents, warrants and covenants to Lessor with respect to each Lease that: (a) Lessee is an agency or department of, institution of higher education, or a political subdivision of the state in which it is located; (b) Lessee has the power and authority to enter into each of the Fundamental Agreements; (c) all Fundamental Agreements are legal, valid and binding obligations of Lessee, enforceable against Lessee in accordance with their terms and do not violate or create a default under any instrument or agreement binding on Lessee; (d) there are no pending or threatened actions or proceedings before any court or administrative agency that could reasonably be expected to have a material adverse effect on Lessee or any Fundamental Agreement, unless such actions have been disclosed to Lessor and consented to in writing by Lessor; (e) Lessee shall comply in all material respects with all laws and regulations the violation of which could have a material adverse effect upon the Equipment or Lessee's performance of its obligations under any Fundamental Agreement; (f) each Fundamental Agreement shall be effective against all creditors of Lessee under applicable law, including fraudulent conveyance and bulk transfer laws, and shall raise no presumption of fraud; (g) all financial statements, certificates or summaries relating to Lessee's financial condition, fiscal budget or the assessment and collection of taxes and other related information furnished by Lessee shall be prepared in accordance with generally accepted accounting principles in the United States in effect at that time and shall fairly present Lessee's financial position as of the dates given on such statements; (h) since the date of the most recent annual financial statement, there has been no material adverse change in the financial condition of, or the level of assessment or collection of taxes by, the Lessee; (i) the Equipment, subject to the Lease, is essential to the immediate performance of a governmental or proprietary function by Lessee within the scope of its authority and will be used during the Term of the Lease only by Lessee and only to perform such function; (j) Lessee intends to use the Equipment for the entire Term of the Lease and all Equipment will be used for business purposes only and not for personal, family or household purposes; (k) Lessee has complied fully with all applicable law governing open meetings, public bidding and appropriations required in connection with the Lease and the acquisition of the Equipment; (l) there has been no material change in the budget for Lessee's current Fiscal Period since its adoption; (m) Lessee's obligations to pay Rent and any other amounts due under the Lease constitute a current expense and not a debt of Lessee under applicable state law; (n) no provision of the Lease constitutes a pledge of the tax or general revenues of Lessee; (o) Lessee does not export, re-export, or transfer any Equipment, Software, system software or source code or any direct product thereof to a prohibited destination, or to nationals of proscribed countries wherever located, without prior authorization from the United States government and other applicable governments; (p) Lessee does not use any Equipment, Software or system software or technology, technical data, or technical assistance related thereto or the products thereof in the design, development, or production of nuclear, missile, chemical, or biological weapons or transfer the same to a prohibited destination, or to nationals of proscribed countries wherever located, without prior authorization from the United States and other applicable governments; and (q) Lessee is not an entity designated by the United States government or any other applicable government with which transacting business without the prior consent of such government is prohibited.

20. DEFAULT. Any of the following shall constitute a default by Lessee (a "Lessee Default") under this Master Lease Agreement and all Leases: (a) Lessee fails to pay any Rent payment or any other amount payable to Lessor under this Master Lease Agreement or any Lease Schedule within 45 days after its due date; or (b) Lessee defaults on or breaches any of the other terms and conditions of any Material Agreement, and fails to cure such breach within 45 days after written notice thereof from Lessor; or (c) any representation or warranty made by Lessee in any Material Agreement proves to be incorrect in any material respect when made or reaffirmed; or (d) any change occurs in relation to Lessee's financial condition that, in Lessor's opinion, would have a material adverse effect on Lessee's ability to perform its obligations under this Master Lease Agreement or under any Lease Schedule; or (e) Lessee becomes insolvent or fails generally to pay its debts as they become due; or (f) a proceeding under any bankruptcy, reorganization, arrangement of debt, insolvency or receivership law is filed by or against Lessee (and if such proceeding is involuntary, it is not dismissed within 60 days after the filing thereof) or Lessee takes any action to authorize any of the foregoing matters; or (g) any letter of credit or guaranty issued in support of a Lease is revoked, breached, canceled or terminated (unless consented to in advance by Lessor); or (h) any Equipment is levied against, seized or attached.

21. REMEDIES. If a Lessee Default occurs, Lessor may, in its sole discretion, exercise one or more of the following remedies: (a) declare all amounts due and to become due during Lessee's current fiscal year to be immediately due and payable; or (b) terminate this Master Lease Agreement; or (c) take possession of, or render unusable, the Equipment without demand or notice and without any court order or other process of law in accordance with Lessee's reasonable security procedures, and no such action shall constitute a termination of any Lease; or (d) require Lessee to immediately pay to Lessor, as compensation for loss of Lessor's bargain and not as a penalty, a sum equal to: (1) All past due payments and all other amounts payable under the Lease, and (2) pay all unpaid payments for the remainder of the lease term, discounted at a rate equal to three percent (3%) per year to the date of default; and require Lessee to make the Equipment available to return as specified in Section 10 above or (e) exercise any other right or remedy available to Lessor at law or in equity. Also, Lessee shall pay Lessor (i) all costs and expenses that Lessor may incur to maintain, safeguard or preserve the Equipment, and other

expenses incurred by Lessor in enforcing any of the terms, conditions or provisions of this Master Lease Agreement (including reasonable legal fees and collection agency costs) and (ii) all costs incurred by Lessor in exercising any of its remedies hereunder (including reasonable legal fees). Upon repossession or surrender of any Equipment, Lessor will lease, sell or otherwise dispose of the Equipment in a commercially reasonable manner, with or without notice and at public or private sale, and apply the net proceeds thereof to the amounts owed to Lessor under this Master Lease Agreement; provided, however, that Lessee will remain liable to Lessor for any deficiency that remains after any sale or lease of such Equipment. Any proceeds of any sale or lease of such Equipment in excess of the amounts owed to Lessor under this Master Lease Agreement will be retained by Lessor. Lessee agrees that with respect to any notice of a sale required by law to be given, 10 days' notice will constitute reasonable notice. With respect to any exercise by Lessor of its right to recover and/or dispose of any Equipment or other Collateral securing Lessee's obligations under the applicable Lease Schedule, Lessee acknowledges and agrees as follows: (i) Lessee shall cause Contractor to prepare the Equipment or any other Collateral for disposition, (ii) Lessor may comply with any applicable state or federal law requirements in connection with any disposition of the Equipment or other Collateral, and any actions taken in connection therewith shall not be deemed to have adversely affected the commercial reasonableness of any such disposition, and (iii) Lessor may convey the Equipment and any other Collateral on an "AS IS, WHERE IS" basis, and without limiting the generality of the foregoing, may specifically exclude or disclaim any and all warranties, including any warranty of title or the like with respect to the disposition of the Equipment or other Collateral, and no such conveyance or such exclusion or such disclaimer of any warranty shall be deemed to have adversely affected the commercial reasonableness of any such disposition. These remedies are cumulative of every other right or remedy given hereunder or now or hereafter existing at law or in equity or by statute or otherwise, and may be enforced concurrently therewith or from time to time.

22. PERFORMANCE OF LESSEE'S OBLIGATIONS. If Lessee fails to perform any of its obligations hereunder, Lessor may perform any act or make any payment that Lessor deems reasonably necessary for the maintenance and preservation of the Equipment and Lessor's interests therein; provided, however, that the performance of any act or payment by Lessor shall not be deemed a waiver of, or release Lessee from, the obligation at issue. All sums so paid by Lessor, together with expenses (including legal fees and costs) incurred by Lessor in connection therewith, and shall be paid to Lessor by Lessee immediately upon demand.

23. TRUE LEASE; SECURITY INTEREST; MAXIMUM RATE. Each Lease is intended to be a "Finance Lease" as defined in Article 2A of the UCC, and Lessee hereby authorizes Lessor to file a financing statement to give public notice of Lessor's ownership of the Equipment. The parties' intent that each Lease be a "Finance Lease" within the meaning of Article 2A and the UCC shall have no effect on the characterization of any Lease for accounting purposes, which characterization shall be made by each party independently on the basis of generally accepted accounting principles in the United States in effect at the time. Lessee, by its execution of each Lease Schedule, acknowledges that Lessor has informed it that (a) the identity of Seller is set forth in the applicable Lease Schedule, (b) Lessee is entitled under Article 2A of the UCC to the promises and warranties, including those of any third party, provided to Lessor in connection with, or as a part of, the applicable Purchase Documents, and (c) Lessee may communicate with Seller and receive an accurate and complete statement of the promises and warranties, including any disclaimers and limitations of them or of remedies. If (1) notwithstanding the express intention of Lessor and Lessee to enter into a true lease, any Lease is ever deemed by a court of competent jurisdiction to be a lease intended for security, or (2) Lessor and Lessee enter into a Lease with the intention that it be treated as a lease intended as security by so providing in the applicable Lease Schedule, then to secure payment and performance of Lessee's obligations under this Master Lease Agreement and all Lease Schedules, Lessee hereby grants Lessor a purchase money security interest in the related Equipment and in all attachments, accessories, additions, substitutions, products, replacements, rentals and proceeds (including, without limitation, insurance proceeds) thereto as well as a security interest in any other equipment financed pursuant to this Master Lease Agreement or any other agreement between Lessor and Lessee (collectively, the "Collateral"). In any such event, notwithstanding any provisions contained in this Master Lease Agreement or in any Lease Schedule, neither Lessor nor any Assignee shall be entitled to receive, collect or apply as interest any amount in excess of the maximum rate or amount permitted by applicable law. In the event Lessor or any Assignee ever receives, collects or applies as interest any amount in excess of the maximum amount permitted by applicable law, such excess amount shall be applied to the unpaid principal balance and any remaining excess shall be refunded to Lessee. In determining whether the interest paid or payable under any specific contingency exceeds the maximum rate or amount permitted by applicable law, Lessor and Lessee shall, to the maximum extent permitted under applicable law, characterize any non-principal payment as an expense or fee rather than as interest, exclude voluntary prepayments and the effect thereof, and spread the total amount of interest over the entire term of this Master Lease Agreement and all Lease Schedules.

24. ASSIGNMENT. Lessor shall have the unqualified right to sell, assign, grant a security interest in or otherwise convey any part of its interest in this Master Lease Agreement, any Lease Schedule, or any Equipment, in whole or in part, with prior notice to Lessee. If any Lease is sold, assigned, or otherwise conveyed, Lessee agrees that Lessor's purchaser, assignee or transferee, as the case may be ("Assignee") shall (a) have the same rights, powers and privileges that Lessor has under the applicable Lease, (b) have the right to receive from Lessee all amounts due under the applicable Lease; and (c) not be required to perform any obligations of Lessor, other than those that are expressly assumed in writing by such Assignee. Lessee agrees to execute such acknowledgements to such assignment as may be reasonably requested by Lessor or the Assignee. Lessee further agrees that, in any action brought by such Assignee against Lessee to enforce Lessor's rights hereunder, Lessee will not assert against such Assignee any set-off, defense or counterclaim that Lessee may have against Lessor or any other person. Unless otherwise specified by Lessor and the Assignee, Lessee shall continue to pay all amounts due under the applicable Lease Schedule to Lessor; provided, however, that upon notification from Lessor and the Assignee, Lessee covenants to pay all amounts due under the applicable Lease Schedule to such Assignee when due and as directed in such notice. Lessee further agrees that any Assignee may further sell, assign, grant a security interest in or otherwise convey its rights and interests under the applicable Lease Schedule with the same force and effect as the assignment described herein. Lessee may not assign, transfer, sell, sublease, pledge or otherwise dispose of this Master Lease Agreement, any Lease Schedule, any Equipment or any interest therein without the prior written consent of Lessor, which consent shall not be unreasonably withheld so long as any such proposed assignee is of equal or better creditworthiness than Lessee, and appropriate documentation has been signed and provided to Lessor, all as Lessor shall determine. Lessor shall remain liable for all of its obligations under this Master Lease Agreement, or any Lease Schedule not otherwise assigned to Assignee pursuant to this Section 24 unless Lessee otherwise agrees in writing.

25. FURTHER ASSURANCES. Lessee agrees to promptly execute and deliver to Lessor such further documents and take such further action as Lessor may require in order to more effectively carry out the intent and purpose of this Master Lease Agreement and any Lease Schedule. Without limiting the generality of the foregoing, Lessee agrees (a) to furnish to Lessor from time to time, its certified financial statements, officer's certificates and appropriate resolutions, opinions of counsel and such other information and documents as Lessor may reasonably request, and (b) to execute and timely deliver to Lessor such documents that Lessor deems necessary to perfect or protect Lessor's security interest in the Collateral or to evidence Lessor's interest in the Equipment. It is also agreed that Lessor or Lessor's agent may file as a financing statement, any lease document (or copy thereof, where permitted by law) or other financing statement that Lessor deems appropriate to perfect or protect Lessor's security interest in the Collateral or to evidence Lessor's interest in the Equipment. Upon demand, Lessee will promptly reimburse Lessor for any filing or recordation fees or expenses (including legal fees and costs) incurred by Lessor in perfecting or protecting its interests in any Collateral. Lessee represents and warrants that Lessee's name as set forth in the signature block below is Lessee's full and accurate legal name and that the information set forth on the first page hereof regarding its organization number, tax identification number and location is true and correct as of the date hereof. Lessee further agrees to provide Lessor advance written notice of any change in the foregoing.

26. TERM OF MASTER LEASE AGREEMENT; SURVIVAL. This Master Lease Agreement shall commence and be effective upon the execution hereof by both parties and shall continue in effect until terminated by either party by 30 days prior written notice to the other, provided that the effective date of the termination is after all obligations of Lessee arising hereunder and pursuant to any Lease Schedule have been fully satisfied. Notwithstanding the foregoing, all representations, warranties and covenants made by Lessee hereunder shall survive the termination of this Master Lease Agreement and shall remain in full force and effect. All of Lessor's rights and privileges under this Master Lease Agreement or any Lease Schedule, to the extent they are fairly attributable to events or conditions occurring or existing on or prior to the expiration or termination of such Lease, shall survive such expiration or termination and be enforceable by Lessor and Lessor's successors and assigns.

27. WAIVER OF JURY TRIAL. LESSEE AND LESSOR HEREBY EXPRESSLY WAIVE ANY RIGHT TO DEMAND A JURY TRIAL WITH RESPECT TO ANY ACTION OR PROCEEDING INSTITUTED BY LESSOR OR LESSEE IN CONNECTION WITH THIS MASTER LEASE AGREEMENT OR ANY FUNDAMENTAL AGREEMENT.

28. NOTICES. All notices, requests, demands, waivers and other communications required or permitted to be given under this Master Lease Agreement or any related Fundamental Agreement shall be in writing and shall be deemed to have been received upon receipt if delivered personally or by a nationally recognized overnight courier service, or by confirmed facsimile transmission, or 3 days after deposit in the United States mail, certified, postage prepaid with return receipt requested, addressed as follows (or such other address or fax number as either party shall so notify the other):

As soon as practical following the last day of the Total Term of any Lease Schedule (and any other time Lessee is required to return Equipment to Lessor), but in no event later than thirty (30) days thereafter, Lessee shall cause the Contractor to (a) remove any Lessee labels, tags or other identifying marks and all hard drives or external drives containing identifying data of Lessee on or attached to the Equipment (b) carefully de-install the Equipment in accordance with the manufacturer's specifications and guidelines, and (c) make all of the Equipment available for Lessor's pick-up at a loading dock at Lessee's facilities, which must be accessible to a full size tractor trailer (individually each a "Designated Pick-up Location" and collectively the "Designated Pick-up Locations"). In the case of any item of Software to be returned to Lessor, Lessee shall also deliver to Lessor the original certificate of authenticity issued by the licensor of such Software, if any, the end user license agreement, any CD-ROM, diskettes or other media relating to such Software and any other materials originally delivered to Lessee with such Software. Tender of Equipment for return to Lessor shall be made at a mutually agreeable time during normal business hours and Lessee shall provide Lessor with not less than five (5) business days advance notice for any requested pick up. Lessor

shall cause its authorized carrier to pack the Equipment, pick up the Equipment at the applicable Designated Pick-up Location, and to ship the Equipment, insured, to Lessor’s designated return facility. So long as the Designated Pick-up Location is within the State Lessee is located, and Lessee tenders Equipment under the Lease Schedule for pick-up of Equipment at each Designated Pick-up Location (“Minimum Pickup”), all actual charges from the Designated Pick-up Locations to Lessor’s return facility(ies) shall be borne by Lessor; provided, however, that, Lessee shall pay further return charges if any one or more of the foregoing assumptions in this sentence are not applicable as follows: a) in the event Lessee fails to tender the Minimum Pickup, Lessee shall pay a minimum charge of \$_____) which shall be payable by Lessee promptly upon Lessor’s demand therefor after the return of the Equipment into Lessor’s possession. All Equipment shall be returned to Lessor in the same condition and working order as when delivered to Lessee, reasonable wear and tear excepted.

STATE AND LOCAL GOVERNMENT MASTER LEASE PURCHASE AGREEMENT

This State and Local Government Master Lease Purchase Agreement (together with Exhibits A and B attached hereto and hereby made a part hereof, (this "Master Agreement"), dated as of _____, is entered into by and between Hewlett-Packard Financial Services Company,⁴ a Delaware corporation ("Lessor"), and _____, an agency, department, institution of higher education, or political subdivision of the State of _____ ("Lessee"). Capitalized terms used in this Master Lease Agreement without definition have the meanings ascribed to them in Section 32.

1. PURPOSE OF MASTER AGREEMENT. The purpose of this Master Lease Agreement is to set forth the general terms and conditions upon which Lessor shall lease to Lessee, and Lessee shall lease from Lessor, items of Hardware, Software or both (the "Equipment"). In connection with its execution of this Master Lease Agreement, Lessee shall deliver to Lessor an Officer's Certificate in form and substance acceptable to Lessor, executed by a duly authorized officer of Lessee and certifying as to, among other things, Lessee's authority to enter into this Master Lease Agreement, and the authority of Lessee's officers or representatives specified therein to execute this Master Lease Agreement and an opinion of Lessee's counsel in form and content satisfactory to Lessor.

2. COMMENCEMENT PROCEDURES. Subject to the other terms and conditions contained in this Master Lease Agreement and the applicable Lease Schedule, Lessee shall enter into individual Leases (hereinafter defined) with Lessor as follows:

(a) Execution of Lease Schedule. Lessor and Lessee mutually agree to enter into a Lease by executing a Lease Schedule in the form of Exhibit A with such changes as Lessor and Lessee shall have agreed to as conclusively evidenced by their execution thereof. Each such Lease Schedule shall specifically identify (by serial number or other identifying characteristics) the items of Equipment to be leased under such Lease Schedule. Each Lease Schedule, when executed by both Lessee and Lessor, together with this Master Lease Agreement, shall constitute a separate and distinct lease ("Lease"), enforceable according to its terms.

(b) Acceptance: Term of Leases. Lessee shall accept the Equipment subject to a Lease in accordance with Section 3. The Term of each Lease shall begin on the Acceptance Date of the Equipment subject to such Lease and shall continue for the period described in the applicable Lease Schedule unless a Non-appropriation shall have occurred.

(c) Adjustments to Lease Schedule. Lessee acknowledges that the Total Cost of Equipment and the related Rent payments set forth in any Lease Schedule may be estimates, and if the final invoice from the Seller attached to the related Acceptance Certificate(s) specifies a Total Cost that is less than the estimated Total Cost set forth in the Schedule, Lessee hereby authorizes Lessor to reduce the applicable Total Cost and Rent payment on the Lease Schedule by up to ten percent (10%) to reflect such final invoice amount (the "Final Invoice Amount"). All references in this Master Lease Agreement and any Lease Schedule to Total Cost and Rent shall mean the amounts thereof specified in the applicable Lease Schedule, as adjusted pursuant to this paragraph.

(d) Payment by Lessor. Within 30 days after Lessee's delivery to Lessor of a properly completed and executed Acceptance Certificate and all other documentation necessary to establish Lessee's acceptance of such Equipment under the related Lease and Lessor's acceptance of such Acceptance Certificate, Lessor shall pay the Contractor for the Equipment. Lessor shall not accept the Acceptance Certificate until it has received from Lessee (1) evidence of insurance with respect to the Equipment in compliance with Section 14 hereof, (2) a completed and executed original Form 8038-G or 8038-GC, as applicable, or evidence of filing thereof with the Internal Revenue Service in the manner required by Code Section 149(e), (3) an opinion of Lessee's counsel, if required by Lessor, in form and substance reasonably satisfactory to Lessor and (4) any other documents or items reasonably required by Lessor. Notwithstanding the foregoing, Lessor shall not be obligated to pay for the Equipment if a Lessee Default has occurred or an event has occurred and is continuing that with the passage of time or provision of notice would constitute a Lessee Default. Lessor and Lessee acknowledge that the date the Lessor pays the Contractor for the Equipment shall be the issue date of the obligation for federal income tax purposes in accordance with the Code and no Rent shall accrue prior to such date.

3. ACCEPTANCE OF EQUIPMENT. (a) Inspection of Equipment. Lessee agrees to inspect all Equipment as soon as reasonably practicable after the delivery thereof to Lessee.

(b) Acceptance Certificate. Upon the satisfactory inspection of the Equipment by Lessee, or if acceptance requirements for such Equipment are specified in the applicable Purchase Documents, as soon as such requirements are met, Lessee shall unconditionally and irrevocably accept the Equipment by executing and delivering to Lessor a properly completed Acceptance Certificate in substantially the form of Exhibit B.

4. RENT; LATE CHARGES. As lease payments ("Rent") for the Equipment under any Lease Schedule, Lessee agrees to pay the amounts specified in the applicable Lease Schedule on the due dates specified in the applicable Lease Schedule. Lessee agrees to pay Lessor interest on any Rent payment or other amount due hereunder that is not paid within 15 days of its due date, at the rate of 1% per month (or such lesser rate as is the maximum rate allowable under applicable law). Lessee will make provision for such payments in budgets submitted to its governing body for the purpose of obtaining funding for the payments.

⁴ Authorized to do business in the name of Hewlett-Packard Financial Services Company, Inc. in the states of Alabama and New York.

5. TRANSFER OF EQUIPMENT ON EXPIRATION OF LEASE TERM. If Lessee has paid all Rent and all other amounts due under the Lease and has satisfied all other terms and conditions of the Lease, the Lease shall terminate and, except as provided in Section 28, Lessee shall be relieved of all of its obligations in favor of Lessor with respect to the Equipment and Lessor shall transfer all of its interest in such Equipment to Lessee "AS IS, WHERE IS," without any warranty, express or implied, from Lessor, other than the absence of any liens or claims by or through Lessor.

6. LEASES NON-CANCELABLE; NET LEASES; WAIVER OF DEFENSES TO PAYMENT. IT IS SPECIFICALLY UNDERSTOOD AND AGREED THAT EACH LEASE HEREUNDER SHALL BE NON-CANCELABLE (EXCEPT AS SET FORTH IN SECTION 7 HEREOF), AND THAT EACH LEASE HEREUNDER IS A NET LEASE SO THAT AMONG OTHER THINGS LESSEE SHALL PAY IN ADDITION TO THE RENT, TAXES, INSURANCE AND MAINTENANCE CHARGES RELATED TO THE EQUIPMENT. LESSEE AGREES THAT IT HAS AN ABSOLUTE AND UNCONDITIONAL OBLIGATION TO PAY ALL RENT AND OTHER AMOUNTS WHEN DUE. LESSEE HEREBY WAIVES ANY RECOUPMENT, CROSS-CLAIM, COUNTERCLAIM OR ANY OTHER DEFENSE AT LAW OR IN EQUITY TO ANY RENT OR OTHER AMOUNT DUE WITH RESPECT TO ANY LEASE, WHETHER ANY SUCH DEFENSE ARISES OUT OF THIS MASTER LEASE AGREEMENT, ANY LEASE SCHEDULE, ANY CLAIM BY LESSEE AGAINST LESSOR, LESSOR'S ASSIGNEES OR SUPPLIER OR OTHERWISE. IF THE EQUIPMENT IS NOT PROPERLY INSTALLED, DOES NOT OPERATE OR INTEGRATE AS REPRESENTED OR WARRANTED BY SUPPLIER OR IS UNSATISFACTORY FOR ANY REASON WHATSOEVER, LESSEE WILL MAKE ANY CLAIM ON ACCOUNT OF THOSE ISSUES SOLELY AGAINST SUPPLIER AND WILL NEVERTHELESS PAY ALL SUMS DUE WITH RESPECT TO EACH LEASE.

7. NONAPPROPRIATION. Notwithstanding anything contained in this Master Lease Agreement to the contrary, in the event that sufficient funds are not appropriated and budgeted by Lessee's governing body or are not otherwise available from other legally available sources in any fiscal period for the payment of Rent and other amounts due under any Lease, the Lease shall terminate on the last day of the fiscal period for which appropriations were received or other amounts are available to pay amounts due under the Lease without penalty or expense to Lessee of any kind whatsoever, except as to the portions of Rent payments or other amounts herein agreed upon for which funds shall have been appropriated or are otherwise available. Lessee will immediately notify the Lessor or its assignee of such occurrence. In the event of such termination, Lessee shall immediately cease all use of the Equipment, and shall immediately de-install, disassemble, pack, crate, and return the Equipment subject to such Lease to Lessor (all in accordance with Section 10 of this Master Lease Agreement). Such Equipment shall be in the same condition as when received by Lessee (reasonable wear, tear and depreciation resulting from normal and proper use excepted), shall be in good operating order and maintenance as required by this Lease, shall be free and clear of any liens (except Lessor's lien) and shall comply with all applicable laws and regulations. Lessee agrees to execute and deliver to Lessor all documents reasonably requested by Lessor or evidence the transfer of legal and beneficial title to such Equipment to Lessor and to evidence the termination of Lessee's interest in such Equipment. Lessor will have all legal and equitable rights and remedies to take possession of the Equipment. At Lessor's request, Lessee shall promptly provide supplemental documentation as to such Non-Appropriation satisfactory to Lessor. Lessee's exercise of its rights pursuant to this Section 7 shall not affect the survival of any other provisions, including but not limited to Section 16, (other than the obligation to lease the Equipment and pay amounts due under the Lease) which survive the termination of the Lease.

8. ASSIGNMENT OF PURCHASE DOCUMENTS. Lessee assigns to Lessor all of Lessee's right, title and interest in and to (a) the Equipment described in each Lease Schedule, and (b) the Purchase Documents relating to such Equipment. Such assignment of the Purchase Documents is an assignment of rights only; nothing in this Master Lease Agreement shall be deemed to have relieved Lessee of any obligation or liability under any of the Purchase Documents, except that, as between Lessee and Lessor, Lessor shall pay the Contractor for the Equipment in accordance with Section 2(d) hereof. Lessee represents and warrants that it has reviewed and approved the Purchase Documents. In addition, if Lessor shall so request, Lessee shall deliver to Lessor a document acceptable to Lessor whereby Seller acknowledges and provides any required consent to such assignment. For the avoidance of doubt, Lessee covenants and agrees that it shall at all times during the Term of each Lease comply in all respects with the terms of any License Agreement relating to any Equipment leased thereunder. **IT IS ALSO SPECIFICALLY UNDERSTOOD AND AGREED THAT NEITHER SUPPLIER NOR ANY SALESPERSON OF SUPPLIER IS AN AGENT OF LESSOR, NOR ARE THEY AUTHORIZED TO WAIVE OR ALTER ANY TERMS OF THIS MASTER LEASE AGREEMENT OR ANY LEASE SCHEDULE.**

9. ASSIGNMENT OF SUPPLIER WARRANTIES. To the extent permitted, Lessor hereby assigns to Lessee all Equipment warranties provided by any Supplier in the applicable Purchase Documents. Lessee shall have the right to take any action it deems appropriate to enforce such warranties provided such enforcement is pursued in Lessee's name and at its expense. In the event Lessee is precluded from enforcing any such warranty in its name and to the extent Lessor retains title to the Equipment, Lessor shall, upon Lessee's request, take reasonable steps to enforce such warranty. In such circumstances, Lessee shall, promptly upon demand, reimburse Lessor for all expenses incurred by Lessor in enforcing the Supplier warranty. Any recovery resulting from any such enforcement efforts shall be divided between Lessor and Lessee as their interests may appear.

10. RESERVED.

11. EQUIPMENT USE, MAINTENANCE AND ADDITIONS. Lessee is solely responsible for the selection, and operation of the Equipment and all costs related thereto. Lessee shall at all times operate and maintain the Equipment in good working order, repair, condition and appearance, and in accordance with the manufacturer's specifications and recommendations. On reasonable prior notice to Lessee, Lessor and Lessor's agents shall have the right, during Lessee's normal business hours and subject to Lessee's reasonable, standard security procedures, to enter the premises where the Equipment is located for the purpose of inspecting the Equipment and observing its use. Except in the case of Software, Lessee shall, at its expense, enter into and maintain and enforce at all times during the Term of each Lease a maintenance agreement to service and maintain the related Equipment, upon terms, and with a provider, reasonably acceptable to Lessor. Lessee shall make no alterations or additions to the Equipment, except those that (a) will not void any warranty made by the Supplier of the Equipment, result in the creation of any security interest, lien or encumbrance on the Equipment or impair the value or use of the Equipment

either at the time made or at the end of the Term of the applicable Lease, and are readily removable without damage to the Equipment ("Optional Additions"), or (b) are required by any applicable law, regulation or order. All additions to the Equipment or repairs made to the Equipment, except Optional Additions, become a part of the Equipment and Lessor's property at the time made; Optional Additions which have not been removed in the event of the return of the Equipment shall become Lessor's property upon such return.

12. EQUIPMENT OWNERSHIP; LIENS; LOCATION. Upon acceptance of the Equipment by Lessee hereunder, title to the Equipment will vest in Lessee; provided, however, that (i) in the event of termination of this Lease by Lessee pursuant to Section 7 hereof, or (ii) upon the occurrence of a Lessee Default as defined in Section 22 hereof, and as long as such Lessee Default is continuing, title to the Equipment (including Substitute Equipment) will immediately vest in Lessor or its assignee. Lessee covenants with respect to each Lease that: (i) it will not pledge or encumber the Equipment or Lessor's interest in the Equipment in any manner whatsoever nor create or permit to exist any levy, lien or encumbrance thereof or thereon except those created by or through Lessor; (ii) the Equipment shall remain personal property whether or not affixed to realty and shall not become a fixture or be made to become a part of any real property on which it is placed without Lessor's prior written consent; and (iii) Lessee shall maintain the Equipment so that it does not become essential to and may be removed from any building in which it is placed without any damage to the building or the Equipment. Provided Lessee remains in possession and control of the Equipment, Lessee may relocate any Equipment from the Equipment Location specified in the applicable Lease Schedule to another of its locations within the State of the Equipment Location upon prior written notice to Lessor specifying the new Equipment Location or to another of its locations within the United States after receiving the written consent of Lessor to such relocation. Lessee shall not locate or relocate any Equipment such that any third party comes into possession or control thereof without Lessor's prior written consent; provided, however, that Lessor shall not unreasonably withhold its consent to the location or relocation of Equipment to a third party co-location or hosting facility if such third party shall have executed and delivered to Lessor a waiver agreement in form and substance acceptable to Lessor pursuant to which, among other things, such third party shall have waived any rights to the Equipment and agreed to surrender the Equipment to Lessor in the event of a Lessee Default under this Master Lease Agreement. Notwithstanding the foregoing, Lessor agrees that equipment usable outside of a fixed office environment, may be relocated on a non-permanent basis from the Equipment Location originally specified in the applicable Lease Schedule without Lessor's prior written consent, provided that (i) such relocation is made by Lessee's primary employee in the custody and control of such Equipment; (ii) the primary employee remains in possession and control of the Equipment, and (iii) the primary employee's principal office is the Equipment Location.

13. SECURITY INTEREST; MAXIMUM RATE. In order to secure all of its obligations hereunder, Lessee hereby, to the extent permitted by law and to secure payment and performance of Lessee's obligations under this Master Lease Agreement and all Lease Schedules, grants Lessor a purchase money security interest in the related Equipment and in all attachments, accessories, additions, substitutions, products, replacements, rentals and proceeds (including, without limitation, insurance proceeds) thereto as well as a security interest in any other Equipment financed pursuant to this Master Lease Agreement, or any other agreement between Lessor and Lessee (collectively, the "Collateral"). In any such event, notwithstanding any provisions contained in this Master Lease Agreement or in any Lease Schedule, neither Lessor nor any Assignee shall be entitled to receive, collect or apply as interest any amount in excess of the maximum rate or amount permitted by applicable law. In the event Lessor or any Assignee ever receives, collects or applies as interest any amount in excess of the maximum amount permitted by applicable law, such excess amount shall be applied to the unpaid principal balance and any remaining excess shall be refunded to Lessee. In determining whether the interest paid or payable under any specific contingency exceeds the maximum rate or amount permitted by applicable law, Lessor and Lessee shall, to the maximum extent permitted under applicable law, characterize any non-principal payment as an expense or fee rather than as interest, exclude voluntary prepayments and the effect thereof, and spread the total amount of interest over the entire term of this Master Lease Agreement and all Lease Schedules. Lessee agrees that Lessor may file this Lease as a financing statement evidencing such security interest or any other financing statement deemed necessary by Lessor and agrees to execute and deliver all certificates of title and other instruments necessary or appropriate to evidence such security interest.

14. RISK OF LOSS AND INSURANCE. Lessee assumes any and all risk of loss or damage to the Equipment from the time such Equipment is in Lessee's possession until such Equipment is returned to and is received by Lessor in accordance with the terms and conditions of this Master Lease Agreement. Lessee agrees to keep the Equipment insured at Lessee's expense against all risks of loss from any cause whatsoever, including without limitation, loss by fire (including extended coverage), theft and damage. Lessee agrees that such insurance shall name Lessor as a loss payee and cover not less than the replacement value of the Equipment. Lessee also agrees that it shall carry commercial general liability insurance in an amount not less than \$2,000,000 total liability per occurrence and cause Lessor and its affiliates and its and their successors and assigns, to be named additional insureds under such insurance. Each policy shall provide that the insurance cannot be canceled without at least 30 days' prior written notice to Lessor, and no policy shall contain a deductible in excess of \$25,000. Upon Lessor's prior written consent, in lieu of maintaining insurance obtained by third party insurance carriers, Lessee may self-insure against such risks, provided that Lessor's interests are protected to the same extent as if the insurance had been obtained by third party insurance carriers and provided further that such self-insurance program is consistent with prudent business practices with respect with such insurance risk. Lessee shall provide to Lessor (a) on or prior to the Acceptance Date for each Lease, and from time to time thereafter, certificates of insurance evidencing such insurance coverage throughout the Term of each Lease, and (b) upon Lessor's request, copies of the insurance policies. If Lessee fails to provide Lessor with such evidence, then Lessor will have the right, but not the obligation, to purchase such insurance protecting Lessor at Lessee's expense. Lessee's expense shall include the full premium paid for such insurance and any customary charges, costs or fees of Lessor. Lessee agrees to pay such amounts in substantially equal installments allocated to each Rent payment (plus interest on such amounts at the rate of 1% per month or such lesser rate as is the maximum rate allowable under applicable law).

15. CASUALTY LOSS. Lessee shall notify Lessor of any Casualty Loss or repairable damage to any Equipment as soon as reasonably practicable after the date of any such occurrence but in no event later than 30 days after such occurrence. In the event any Casualty Loss shall occur, on the next Rent payment date Lessee shall (a) at Lessee's option provided no Lessee Default has occurred nor an event that with the passage of time or provision of notice would constitute a Lessee Default has occurred and is continuing or (b) at Lessor's option if a Lessee Default has occurred or an event that with the passage of time or provision of notice would constitute a Lessee Default has

occurred and is continuing, (1) subject to Section 7 hereof, pay Lessor the Stipulated Loss Value of the Equipment suffering the Casualty Loss, or (2) substitute and replace each item of Equipment suffering the Casualty Loss with an item of Substitute Equipment. If Lessee shall pay the Stipulated Loss Value of the Equipment suffering a Casualty Loss, upon Lessor's receipt in full of such payment the applicable Lease shall terminate as it relates to such Equipment and, except as provided in Section 28, Lessee shall be relieved of all obligations under the applicable Lease as it relates to such Equipment. If Lessee shall replace Equipment suffering a Casualty Loss with items of Substitute Equipment the applicable Lease shall continue in full force and effect without any abatement of Rent with such Substitute Equipment thereafter being deemed to be Equipment leased thereunder. Upon Lessor's receipt of such payment of Stipulated Loss Value in full or replacement of the Equipment suffering the Casualty Loss with Substitute Equipment, Lessor shall transfer to Lessee all of Lessor's interest in the Equipment suffering the Casualty Loss "AS IS, WHERE IS," without any warranty, express or implied, from Lessor, other than the absence of any liens or claims by or through Lessor. In the event of any repairable damage to any Equipment, the Lease shall continue with respect to such Equipment without any abatement of Rent and Lessee shall, at its expense, from insurance proceeds or other funds legally available, promptly cause such Equipment to be repaired to the condition it is required to be maintained pursuant to Section 11.

16. TAXES. Lessor shall report and pay all applicable Taxes now or hereafter imposed or assessed by any governmental body, agency or taxing authority upon the purchase, ownership, delivery, installation, leasing, rental, use or sale of the Equipment, the Rent or other charges payable hereunder, or otherwise upon or in connection with any Lease, whether assessed on Lessor or Lessee, other than any such Taxes required by law to be reported and paid by Lessee. Lessee shall promptly reimburse Lessor for all such applicable Taxes paid by Lessor, together with any penalties or interest in connection therewith attributable to Lessee's acts or failure to act, excluding (a) Taxes on or measured by the overall gross or net income or items of tax preference of Lessor, (b) as to any Lease the related Equipment, Taxes attributable to the period after the return of such Equipment to Lessor, and (c) Taxes imposed as a result of a sale or other transfer by Lessor of any portions of its interest in any Lease or in any Equipment except for a sale or other transfer to Lessee or a sale or other transfer occurring after and during the continuance of any Lessee Default.

17. GENERAL LIABILITY. As between Lessor and Lessee, to the extent permitted by law, Lessee shall bear sole liability for any and all Claims arising directly or indirectly out of or in connection with any matter involving this Master Lease Agreement, the Equipment or any Lease Schedule, including but not limited to the selection, manufacture, purchase, acceptance, rejection, ownership, delivery, lease, possession, maintenance, use (including any patent, trademark or copyright infringement), condition, return or operation of any Equipment or the enforcement of Lessor's rights under any Lease. Notwithstanding the foregoing, Lessee shall have no liability for any Claim arising solely as a result of Lessor's gross negligence or willful misconduct.

18. TAX REPRESENTATIONS AND COVENANTS AND TAX PAYMENTS. (a) Lessee represents, covenants and warrants that: (i) Lessee is a political subdivision, institution of higher education, or agency or department of the State in which it is located; (ii) a portion of the Rent is interest based on the total Equipment cost as shown on a Lease Schedule and such interest portion of the Rent shall be excluded from Lessor's gross income pursuant to Section 103 of the Code; (iii) Lessee will comply with the information reporting requirements of Section 149(e) of the Code, and such compliance shall include but not be limited to the execution of information statements requested by Lessor; (iv) Lessee will not do or cause to be done any act which will cause, or by omission of any act allow, the Lease to be an arbitrage bond within the meaning of Section 148(a) of the Code; (v) Lessee will not do or cause to be done any act which will cause, or by omission of any act allow, this Lease to be a private activity bond within the meaning of Section 141(a) of the Code; (vi) Lessee will not do or cause to be done any act which will cause, or by omission of any act allow, the interest portion of the Rent payments to be or become includable in gross income for federal income taxation purposes under the Code; (vii) Lessee will be the only entity to own, use and operate the Equipment during the Lease Term; (viii) Lessee has never failed to appropriate funds for payment of any amount due pursuant to a lease purchase agreement, a conditional sales agreement or any similar type of obligation; and (ix) Lessee is not and has never been in default under any bond, note, lease purchase agreement or other type of financial obligation to which it has been a party. (b) This Master Lease Agreement has been entered into on the basis that Lessor or any Assignee of Lessor shall claim that the interest paid hereunder is exempt from federal income tax under Section 103(a) of the Code. Upon a breach by Lessee of any of its representations, warranties and covenants in Section 18(a) above and as a result thereof, the United States Government disallows, eliminates, reduces, recaptures, or disqualifies, in whole or in part, any benefits of such exemption, Lessee shall then pay to Lessor, at Lessor's election, either: (i) supplemental payment(s) to Lessor during the remaining period of the Term(s) in an amount necessary to permit Lessor to receive (on an after tax basis over the full term of the Master Lease Agreement) the same rate of return that Lessor would have realized had there not been a loss or disallowance of such benefits, together with the amount of any interest or penalty which may be assessed by the governmental authority with respect to such loss or disallowance; or (ii) a lump sum payable upon demand to Lessor which shall be equal to the amount necessary to permit Lessor to receive (on an after tax basis over the full term of the Master Lease Agreement) the same rate of return that Lessor would have realized had there not been a loss or disallowance of such benefits together with the amount of any interest or penalty which may be assessed by the governmental authority with respect to such loss or disallowance.

19. COVENANT OF QUIET ENJOYMENT. So long as no Lessee Default exists, and no event shall have occurred and be continuing which, with the giving of notice or the passage of time or both, would constitute a Lessee Default, neither Lessor nor any party acting or claiming through Lessor, by assignment or otherwise, will disturb Lessee's quiet enjoyment of the Equipment during the Term of the related Lease.

20. DISCLAIMERS AND LESSEE WAIVERS. LESSEE LEASES THE EQUIPMENT FROM LESSOR "AS IS, WHERE IS." IT IS SPECIFICALLY UNDERSTOOD AND AGREED THAT (A) EXCEPT AS EXPRESSLY SET FORTH IN SECTION 19, LESSOR MAKES ABSOLUTELY NO REPRESENTATIONS OR WARRANTIES WHATSOEVER, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION, ANY REPRESENTATION OR WARRANTY WITH RESPECT TO THE DESIGN, COMPLIANCE WITH SPECIFICATIONS, QUALITY, OPERATION, OR CONDITION OF ANY EQUIPMENT (OR ANY PART THEREOF), THE MERCHANTABILITY OR FITNESS OF EQUIPMENT FOR A PARTICULAR PURPOSE, OR ISSUES REGARDING PATENT INFRINGEMENT, TITLE AND THE LIKE; (B) LESSOR SHALL NOT BE DEEMED TO HAVE MADE, BE BOUND BY OR LIABLE FOR, ANY REPRESENTATION, WARRANTY OR PROMISE MADE BY THE SUPPLIER OF ANY EQUIPMENT (EVEN IF LESSOR IS AFFILIATED WITH SUCH SUPPLIER); (C)

LESSOR SHALL NOT BE LIABLE FOR ANY FAILURE OF ANY EQUIPMENT OR ANY DELAY IN THE DELIVERY OR INSTALLATION THEREOF; (D) LESSEE HAS SELECTED ALL EQUIPMENT WITHOUT LESSOR'S ASSISTANCE; AND (E) LESSOR IS NOT A MANUFACTURER OF ANY EQUIPMENT. IT IS FURTHER AGREED THAT LESSOR SHALL HAVE NO LIABILITY TO LESSEE, OR ANY THIRD PARTIES FOR ANY INCIDENTAL, INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF THIS MASTER LEASE AGREEMENT OR ANY LEASE SCHEDULE OR CONCERNING ANY EQUIPMENT, OR FOR ANY DAMAGES BASED ON STRICT OR ABSOLUTE TORT LIABILITY OR LESSOR'S NEGLIGENCE; PROVIDED, HOWEVER, THAT NOTHING IN THIS MASTER LEASE AGREEMENT SHALL DEPRIVE LESSEE OF ANY RIGHTS IT MAY HAVE AGAINST ANY PERSON OTHER THAN LESSOR. LESSOR AND LESSEE AGREE THAT THE LEASES SHALL BE GOVERNED BY THE EXPRESS PROVISIONS OF THIS MASTER LEASE AGREEMENT AND THE APPLICABLE FUNDAMENTAL AGREEMENTS AND NOT BY THE CONFLICTING PROVISIONS OF ANY OTHERWISE APPLICABLE LAW. ACCORDINGLY, TO THE EXTENT PERMITTED BY APPLICABLE LAW, LESSEE WAIVES ANY RIGHTS AND REMEDIES CONFERRED UPON A LESSEE BY STATUTE OR OTHERWISE, IN EITHER CASE THAT ARE INCONSISTENT WITH OR THAT WOULD LIMIT OR MODIFY LESSOR'S RIGHTS SET FORTH IN THIS MASTER LEASE AGREEMENT.

21. LESSEE WARRANTIES. Lessee represents, warrants and covenants to Lessor with respect to each Lease that: (a) Lessee has the power and authority to enter into each of the Fundamental Agreements; (b) all Fundamental Agreements are legal, valid and binding obligations of Lessee, enforceable against Lessee in accordance with their terms and do not violate or create a default under any instrument or agreement binding on Lessee; (c) there are no pending or threatened actions or proceedings before any court or administrative agency that could have a material adverse effect on Lessee or any Fundamental Agreement, unless such actions have been disclosed to Lessor and consented to in writing by Lessor; (d) Lessee shall comply in all material respects with all laws and regulations the violation of which could have a material adverse effect upon the Equipment or Lessee's performance of its obligations under any Fundamental Agreement; (e) each Fundamental Agreement shall be effective against all creditors of Lessee under applicable law, including fraudulent conveyance and bulk transfer laws, and shall raise no presumption of fraud; (f) all financial statements, certificates or summaries relating to Lessee's financial condition, fiscal budget or the assessment and collection of taxes and other related information furnished by Lessee shall be prepared in accordance with generally accepted accounting principles in the United States in effect at that time and shall fairly present Lessee's financial position as of the dates given on such statements; (g) since the date of the most recent annual financial statement, there has been no material adverse change in the financial condition of, or the level of assessment or collection of taxes by, the Lessee; (h) the Equipment, subject to any Lease, is essential to the immediate performance of a governmental or proprietary function by Lessee within the scope of its authority and will be used during the Term of such Lease only by Lessee and only to perform such function; (i) Lessee intends to use the Equipment for the entire Term of such Lease and all Equipment will be used for business purposes only and not for personal, family or household purposes; (j) Lessee has complied fully with all applicable law governing open meetings, public bidding and appropriations required in connection with this Lease and the acquisition of the Equipment; (k) there has been no material change in the budget for Lessee's current Fiscal Period since its adoption; (l) Lessee's obligations to pay Rent and any other amounts due under this Lease constitute a current expense and not a debt of Lessee under applicable state law; (m) no provision of this Lease constitutes a pledge of the tax or general revenues of Lessee; (n) Lessee does not export, re-export, or transfer any Equipment, Software, system software or source code or any direct product thereof to a prohibited destination, or to nationals of proscribed countries wherever located, without prior authorization from the United States government and other applicable governments; (o) Lessee does not use any Equipment, Software or system software or technology, technical data, or technical assistance related thereto or the products thereof in the design, development, or production of nuclear, missile, chemical, or biological weapons or transfer the same to a prohibited destination, or to nationals of proscribed countries wherever located, without prior authorization from the United States and other applicable governments; and (p) Lessee is not an entity designated by the United States government or any other applicable government with which transacting business without the prior consent of such government is prohibited.

22. DEFAULT. Any of the following shall constitute a default by Lessee (a "Lessee Default") under this Master Lease Agreement and all Leases: (a) Lessee fails to pay any Rent payment or any other amount payable to Lessor under this Master Lease Agreement or any Lease Schedule within 45 days after its due date; or (b) Lessee defaults on or breaches any of the other terms and conditions of any Material Agreement, and fails to cure such breach within 45 days after written notice thereof from Lessor; or (c) any representation or warranty made by Lessee in any Material Agreement proves to be incorrect in any material respect when made or reaffirmed; or (d) any change occurs in relation to Lessee's financial condition that, in Lessor's opinion, would have a material adverse effect on Lessee's ability to perform its obligations under this Master Lease Agreement or under any Lease Schedule or (e) Lessee becomes insolvent or fails generally to pay its debts as they become due; or (f) a proceeding under any bankruptcy, reorganization, arrangement of debt, insolvency or receivership law is filed by or against Lessee (and, if such is proceeding is involuntary, it is not dismissed within 60 days after the thereof) or Lessee takes any action to authorize any of the foregoing matters; (g) any Equipment is levied against, seized or attached; or (h) any letter of credit or guaranty issued in support of a Lease is revoked, breached, canceled or terminated (unless consented to in advance by Lessor).

24. REMEDIES. If a Lessee Default occurs, Lessor may, in its sole discretion, exercise one or more of the following remedies: (a) declare all amounts due and to become due during Lessee's current fiscal year to be immediately due and payable; or (b) terminate this Master Lease Agreement; or (c) take possession of, or render unusable, the Equipment without demand or notice and without any court order or other process of law in accordance with Lessee's reasonable security procedures, and no such action shall constitute a termination of any Lease; or (d) require Lessee to deliver the Equipment to a location specified by Lessor; or (e) require Lessee to immediately pay to Lessor, as compensation for loss of Lessor's bargain and not as a penalty, a sum equal to: (1) All past due payments and all other amounts payable under the Lease, and (2) pay all unpaid payments for the remainder of the Lease term, discounted at a rate equal to three percent (3%) per year to the date of default; and require Lessee to promptly return the Equipment, or (f) exercise any other right or remedy available to Lessor at law or in equity. Also, Lessee shall pay Lessor (i) all costs and expenses that Lessor may incur to maintain, safeguard or preserve the Equipment, and other expenses incurred by Lessor in enforcing any of the terms, conditions or provisions of this Master Lease Agreement (including reasonable legal fees and collection agency costs) and (ii) all costs incurred by Lessor in exercising any of its remedies hereunder (including reasonable legal fees). Upon repossession or surrender of any Equipment, Lessor will lease, sell or otherwise dispose

of the Equipment in a commercially reasonable manner, with or without notice and at public or private sale, and apply the net proceeds thereof to the amounts owed to Lessor under this Master Lease Agreement; provided, however, that Lessee will remain liable to Lessor for any deficiency that remains after any sale or lease of such Equipment. Any proceeds of any sale or lease of such Equipment in excess of the amounts owed to Lessor under this Master Lease Agreement will be retained by Lessor. Lessee agrees that with respect to any notice of a sale required by law to be given, 10 days' notice will constitute reasonable notice. With respect to any exercise by Lessor of its right to recover and/or dispose of any Equipment or other Collateral securing Lessee's obligations under the applicable Lease Schedule, Lessee acknowledges and agrees as follows: (i) Lessor shall cause Contractor to clean-up or otherwise prepare the Equipment or any other Collateral for disposition, (ii) Lessor may comply with any applicable state or federal law requirements in connection with any disposition of the Equipment or other Collateral, and any actions taken in connection therewith shall not be deemed to have adversely affected the commercial reasonableness of any such disposition, and (iii) Lessor may convey the Equipment and any other Collateral on an "AS IS, WHERE IS" basis, and without limiting the generality of the foregoing, may specifically exclude or disclaim any and all warranties, including any warranty of title or the like with respect to the disposition of the Equipment or other Collateral, and no such conveyance or such exclusion or such disclaimer of any warranty shall be deemed to have adversely affected the commercial reasonableness of any such disposition. These remedies are cumulative of every other right or remedy given hereunder or now or hereafter existing at law or in equity or by statute or otherwise, and may be enforced concurrently therewith or from time to time.

24. PERFORMANCE OF LESSEE'S OBLIGATIONS. If Lessee fails to perform any of its obligations hereunder, Lessor may perform any act or make any payment that Lessor deems reasonably necessary for the maintenance and preservation of the Equipment and Lessor's interests therein; provided, however, that the performance of any act or payment by Lessor shall not be deemed a waiver of, or release Lessee from, the obligation at issue. All sums so paid by Lessor, together with expenses (including legal fees and costs) incurred by Lessor in connection therewith, shall be paid to Lessor by Lessee immediately upon demand.

25. PURCHASE OPTIONS. Lessee may elect, by delivering to Lessor at least 30 days' prior written notice, to purchase on any Rent payment date not less than all Units of Equipment then subject to the Lease (other than items of Software that may not be sold by Lessor under the terms of any applicable License Agreement) for an amount equal to the sum of the Rent then due, all other amounts due under the Lease and the Concluding Payment for such Equipment as of the designated Rent payment date; provided no Lessee Default shall have occurred and be continuing or no event has occurred which with notice or lapse of time could constitute a Lessee Default. In the event of such an election, Lessee shall pay such amount to Lessor, in immediately available funds, on or before the designated Rent payment date. If Lessee shall have elected to purchase the Equipment, shall have so paid the purchase price and shall have fulfilled the terms and conditions of this Master Lease Agreement and the related Lease Schedule, then (1) the Lease with respect to such Equipment shall terminate on the designated Rent payment date and, except as provided in Section 28, Lessee shall be relieved of all of its obligations in favor of Lessor with respect to such Equipment, and (2) Lessor shall transfer all of its interest in such Equipment to Lessee "AS IS, WHERE IS," without any warranty, express or implied, from Lessor, other than the absence of any liens or claims by or through Lessor.

26. ASSIGNMENT. Lessor shall have the unqualified right to sell, assign, grant a security interest in or otherwise convey any part of its interest in this Master Lease Agreement, any Lease Schedule or any Equipment, in whole or in part, with prior notice to Lessee. If any Lease is sold, assigned, or otherwise conveyed, Lessee agrees that Lessor's purchaser, assignee or transferee, as the case may be ("Assignee") shall (a) have the same rights, powers and privileges that Lessor has under the applicable Lease Schedule, (b) have the right to receive from Lessee all amounts due under the applicable Lease Schedule; and (c) not be required to perform any obligations of Lessor, other than those that are expressly assumed in writing by such Assignee. Lessee agrees to execute such acknowledgements to such assignment as may be reasonably requested by Lessor or the Assignee. Lessee further agrees that, in any action brought by such Assignee against Lessee to enforce Lessor's rights hereunder, Lessee will not assert against such Assignee any set-off, defense or counterclaim that Lessee may have against Lessor or any other person. Unless otherwise specified by Lessor and the Assignee, Lessee shall continue to pay all amounts due under the applicable Lease Schedule to Lessor; provided, however, that upon notification from Lessor and the Assignee, Lessee covenants to pay all amounts due under the applicable Lease Schedule to such Assignee when due and as directed in such notice. Lessee further agrees that any Assignee may further sell, assign, grant a security interest in or otherwise convey its rights and interests under the applicable Lease Schedule with the same force and effect as the assignment described herein. Lessee may not assign, transfer, sell, sublease, pledge or otherwise dispose of this Master Lease Agreement, any Lease Schedule, any Equipment or any interest therein. Lessee shall acknowledge each such assignment in writing if so requested and keep a complete and accurate record of all such assignments in a manner that complies with Section 149 of the Code, and regulations promulgated thereunder without the prior written consent of Lessor, which consent shall not be unreasonably withheld so long as any such proposed assignee is of equal or better creditworthiness than Lessee, and appropriate documentation has been signed and provided to Lessor, all as Lessor shall determine. Lessor shall remain liable for all of its obligations under this Master Lease Agreement, or any Lease Schedule not otherwise assigned to Assignee pursuant to this Section 26 unless Lessee otherwise agrees in writing.

27. FURTHER ASSURANCES. Lessee agrees to promptly execute and deliver to Lessor such further documents and take such further action as Lessor may require in order to more effectively carry out the intent and purpose of this Master Lease Agreement and any Lease Schedule. Without limiting the generality of the foregoing, Lessee agrees (a) to furnish to Lessor from time to time, its certified financial statements, officer's certificates and appropriate resolutions, opinions of counsel and such other information and documents as Lessor may reasonably request, and (b) to execute and timely deliver to Lessor such documents that Lessor deems necessary to perfect or protect Lessor's security interest in the Collateral or to evidence Lessor's interest in the Equipment. It is also agreed that Lessor or Lessor's agent may file as a financing statement, any lease document (or copy thereof, where permitted by law) or other financing statement that Lessor deems appropriate to perfect or protect Lessor's security interest in the Collateral or to evidence Lessor's interest in the Equipment. Upon demand, Lessee will promptly reimburse Lessor for any filing or recordation fees or expenses (including legal fees and costs) incurred by Lessor in perfecting or protecting its interests in any Collateral. Lessee represents and warrants that Lessee's name as set forth in the signature block below is Lessee's full and accurate legal name and that the information set forth on the first page hereof regarding its organization number, tax identification number and location is true and correct as of the date hereof. Lessee further agrees to provide Lessor advance written notice of any change in the foregoing.

TERM OF MASTER LEASE AGREEMENT; SURVIVAL. This Master Lease Agreement shall commence and be effective upon the execution hereof by both parties and shall continue in effect until terminated by either party by 30 days' prior written notice to the other, provided that the effective date of the termination is after all obligations of Lessee arising hereunder and pursuant to any Lease Schedule have been fully satisfied. Notwithstanding the foregoing, all representations, warranties and covenants made by Lessee hereunder shall survive the termination of this Master Lease Agreement and shall remain in full force and effect. All of Lessor's rights, privileges and indemnities under this Master Lease Agreement or any Lease Schedule, to the extent they are fairly attributable to events or conditions occurring or existing on or prior to the expiration or termination of such Lease, shall survive such expiration or termination and be enforceable by Lessor and Lessor's successors and assigns.

29. WAIVER OF JURY TRIAL. LESSEE AND LESSOR HEREBY EXPRESSLY WAIVE ANY RIGHT TO DEMAND A JURY TRIAL WITH RESPECT TO ANY ACTION OR PROCEEDING INSTITUTED BY LESSOR OR LESSEE IN CONNECTION WITH THIS MASTER LEASE AGREEMENT OR ANY FUNDAMENTAL AGREEMENT.

7. SERVICE LEVEL DEFINITIONS

(a) **MSS Response Times:** HP offers two (2) standard and one (1) optional response times depending on locations:

(1) **HP Priority [OPTIONAL]** – Priority 4 Hour Response for Services, Toner and ink drop ship.

(2) **HP Advantage** – Next Business Day Response for Services, Toner and ink drop ship.

(3) **HP Extended Reach** – Depending on location, it may be greater than Next Business Day Response for Services, Toner, and ink dropship.

(b) MSS Response Times will only be measured during HP normal business hours and only apply to devices supported by the MSS program. Location specific MSS Response Times can be found in Exhibit B, attached hereto. All Response Times are determined by the ZIP codes listed in Exhibit B, therefore, if a location is listed with an incorrect ZIP code, then the Response Time may be incorrect and will be corrected by way of a Change Order.

(c) **MVS Response Time [OPTIONAL]:** HP offers one response time under MVS, which is a Next Business Day response with toner drop ship. MVS Response Times will only be measured during HP normal business hours.

Special Note Regarding MVS Service Requests: The process for requesting service for devices supported by MSS and MVS programs is the same, but technicians and fulfillment of the requests are separate and distinct for each support program. For example, if a service request is placed for a device on MVS, the technician that responds may only service the device for which service was requested and any other device on MVS support program (the reverse is true for service requests placed for devices supported by the MSS program).

8. CLIENT MANAGEMENT [OPTIONAL]**(a) Remote Client Management.**

HP will provide Customer with a Client Manager ("CM") that will perform the following services for the Term of the Schedule: (1) Serve as the single point of contact responsible for the delivery of the Services, Customer relationship, Customer satisfaction, and manage escalated issues and corrective actions until resolution; (2) Jointly develop with Customer a documented plan ("Delivery Plan") designed to promote delivery consistency and track topics for scheduled strategic reviews; (3) Coordinate and manage Change Orders; (4) Summarize HP standard fleet tracking and utilization reports for discussion during scheduled strategic reviews; (5) Provide a statistical analysis of fleet performance during scheduled strategic reviews; and (6) Track and report service level commitment performance in an HP-defined format.

HP will perform all activities remotely. In coordination with the assigned Client Manager, the CM will schedule and lead annual remote strategic reviews to discuss: (1) the summary of HP's performance against the Schedule, (2) the Delivery Plan, (3) the fleet management analysis (fleet utilization), and (4) recommendations for optimization.

The CM will schedule and lead regular strategic reviews with Customer to discuss: (1) the summary of HP's performance against the Schedule, (2) the Delivery Plan, (3) a summary of the service level commitment performance, (4) the fleet management and optimization analysis (fleet utilization) and recommendations for optimization, (5) Information on best practices, and (6) information on HP and/or third-party solutions included in the Schedule.

9. TERM, TERMINATION, AND RENEWAL

The term of this Schedule will begin on the Schedule Effective Date and will continue for the Term indicated above. Rates listed in the Pricing Schedule above are fixed for the initial Term of this Schedule.

Customer may only terminate this Schedule in the event of HP's uncured material breach of this Schedule, or in the case of non-appropriation of funds. HP will have thirty (30) days from Customer's written notice to cure such breach. If HP fails to cure such breach within the thirty (30) day period, this Schedule will terminate, with no Termination Fee, ninety (90) days after the written notice was received.

This Schedule may not be cancelled for convenience by Customer. In the event of any early termination of this Schedule by Customer for any reason other than HP's material breach or customer's non-appropriation of funds, HP, in its sole discretion, may assess and invoice Customer the number of impressions estimated to be remaining for the term of this Schedule based on the most recent historical impression counts ("Termination Fee"). Upon termination of this Schedule, Customer will pay HP for all Services performed, and all charges and expenses then due HP under this Schedule, including any applicable Termination Fee.

HP reserves the right to terminate this Schedule with thirty (30) days' written notice.

10. DEVICES COVERED UNDER THIS SCHEDULE

The impression rates listed in the Pricing Schedule above and the terms contained herein are offered based on supporting all eligible devices within Customer's supportable locations listed in Exhibit A and Customer keeping the remote monitoring software active and reporting. All devices of a similar model/series must be enrolled in the support program and covered under this Schedule unless a specific written exception is granted. Devices can only be removed from the support program if they are taken out of service and permanently removed from a supportable location. Additional devices may be added at any time if HP currently provides support for that model/series. Supportable devices that are added at a later date that are not currently included in the Pricing Schedule will be added at the then current rate. To add a device to or remove a device from the Schedule, Customer must submit an email request to HP at pmps-fleetmaintenance@hp.com using a form to be provided by HP. Such requests must be submitted by an account manager or executive employed by Customer, or an employee authorized by the account manager or executive. Devices must be in a working condition prior to being enrolled in this program. If a device to be added to this Schedule is not new, HP will determine if repairs are required to bring the device to a working condition. If repairs are required, HP will notify Customer and, with Customer's approval, will provide those parts and repairs at HP's standard parts and service rates, per the pricing in the NASPO ValuePoint Master Agreement. If a mono device to be enrolled is in a "toner low" or "ink low" condition, Customer will be invoiced 50% of the retail price of a new toner or ink cartridge. If a color device to be enrolled is in a "toner low" or "ink low" condition, Customer will not be invoiced for the first cartridge, but will be invoiced for additional cartridges at retail price. Customer agrees to follow correct device operation guidelines as specified by the manufacturer for all devices covered under this Schedule.

In the event that a device reaches defined end of service-life or if HP cannot acquire spare parts with commercially reasonable efforts, HP may terminate Services for the respective device and potentially all like devices.

If no purchase order is issued then, by signing this Schedule, Customer authorizes HP to provide the Services and will not contest payment.

13. CUSTOMER REQUIREMENTS

- (a) Customer is responsible for assisting in a timely installation of the remote monitoring software and for keeping the remote monitoring software active. Customer understands that if the remote monitoring software is de-activated, HP will not be able to receive "Toner Low" or "Service Alert" messages from devices and HP will not be held to the response time commitments listed in Exhibit A. Upon either notice or discovery of a non-reporting device, Customer shall promptly return the device to a reporting condition. Customer may be responsible for manually reporting impression counts for non-networked devices or for non-reporting devices to ensure current and accurate data for billing and reporting purposes. Customer acknowledges that Customer has no ownership of software provided by HP, including the remote monitoring software. Subject to the terms of this Schedule and the Agreement, Customer agrees to allow HP the right to collect and use data through the remote monitoring software.
- (b) **Non-Reporting Devices:** For any device subject to remote monitoring software (for example, a Data Collection Agent ("DCA") or other automated data collection tool provided by HP) that stops reporting data ("Non-Reporting Device"), Customer shall support HP in locating and returning all such Non-Reporting Devices to a reporting condition and to a designated location. Customer remains liable for payment of all charges for Non-Reporting Devices as determined by manually retrieved usage reports to be provided by Customer to HP every thirty (30) calendar days from the date that HP notifies Customer of the non-reporting status of the devices until the devices are returned to an automated reporting status. If Customer fails to provide timely usage reports for Non-Reporting Devices, HP may:
- (1) continue to invoice impression rates based upon the historical usage data gathered from the last billing cycle when the device was in a reporting status. Once received HP reserves the right to reconcile actual usage against any previously invoiced impression amounts based upon historical data and then invoice in arrears for impressions not previously captured. Customer agrees to pay all such related invoices.
 - (2) suspend invoicing for impressions on the affected device until the device is returned to an automated reporting status and then invoice Customer in arrears for all non-reported impressions; or
 - (3) continue to invoice for impressions using the manufacturer's stated yield as the usage for each cartridge shipped during the billing period, multiplied by the impression rate per applicable device.
- (c) **Manual Reporting Devices:** For each device designated as a manual reporting device (i.e., a device that is incapable of automated data reporting), Customer shall provide to HP usage reports every thirty (30) calendar days. If at any point in time Customer stops timely reporting such data, such device shall be deemed a Non-Reporting Device and Customer remains liable for payment of all charges and fees for such Non-Reporting Devices. In such circumstances, HP may continue to invoice for impressions based upon:
- (1) the manufacturer's stated yield as the usage for each cartridge shipped during each billing period that the device remains in a non-reporting condition, multiplied by the impression rate per applicable device; or
 - (2) the historical usage data gathered from the last billing cycle when the device was in a reporting condition. Once received, HP reserves the right to reconcile actual usage against any impressions previously invoiced based upon historical data and then invoice in arrears for impressions not previously captured. Customer agrees to pay all such related invoices.
- (d) **Special Note for mSKU Devices:** Any devices designated as mSKU devices in the Pricing Schedule must be connected to the JetAdvantage Management (JAM) software at all times. Customer must assist HP in a timely installation of JAM and support HP in resolving any issues with devices that are not properly connected to JAM. Use of supplies on any mSKU device that are not provided directly by HP as a part of this Schedule may result in the device being disconnected from JAM. HP may increase the impression rate of any mSKU device that is disconnected from JAM, on a forward looking basis, if such non-reporting condition is due to Customer or lack of cooperation of Customer. HP will notify Customer of any adjustment to the impression rates. HP will implement the new impression rates unless notified of a concern within ten (10) Business Days from the notice date. In case of timely notification of concern, HP and Customer will work in good faith to resolve the dispute in a timely manner. During such time, Customer will be invoiced and pay the unadjusted impression rates until resolution of the dispute.

14. HP JETADVANTAGE INSIGHTS [OPTIONAL]

If HP JetAdvantage Insights is included as a part of this Schedule, then Customer also agrees to the terms and conditions with respect to HP JetAdvantage Insights located at <https://www.insights.hpdemand.com/files/SaaS/JAISPaaS11302016.pdf>.

15. TONER AND INK COVERAGE

HP regularly reviews toner and ink consumption. If it is discovered that there are devices that are printing with greater than seven percent (7%) toner or ink coverage for monochrome, and twenty-eight percent (28%) toner or ink coverage for color, HP will notify the Customer in writing. HP will work with Customer to correct this problem by making recommendations that may include but are not limited to print policy changes, workflow changes, and device changes. If after sixty (60) days, Customer has not or will not make changes to reduce toner or ink coverage below these limits, HP may increase the rates to account for the increase in coverage, but at no time shall any rate increase exceed the pricing listed in the NASPO ValuePoint Master Agreement. Those increased rates will remain in effect until the next annual review.

16. DEVICE OBSOLESCENCE

A manufacturer may choose to no longer support a device at which time replacement parts and/or supplies are no longer available for that device model/series, HP will make reasonable commercial efforts to continue to provide Service for the device, but HP reserves the right to discontinue providing Services on the respective device and potentially all like devices. If the respective device has been on contract for greater than three (3) months, then a standard credit will be provided towards the purchase of an HP printing device.

HP makes every attempt to identify those devices that are nearing the end of their supportable life. Such devices are described above in the END OF SERVICE LIFE section above. The standard credit described in the paragraph above does not apply to EOSL Device(s).

17. ITEMS NOT COVERED

- (a) The following items are not covered under the Services: paper, staples, font cartridges, third-party SIMM or DIMMs, third-party accessories, and all external interface cards.
- (b) Special note on Firmware Upgrades: HP will only perform Firmware Upgrades if the manufacturer has announced the Firmware Upgrade resolves a known service issue.

18. REMOVAL OF CONFIDENTIAL INFORMATION

If a hard drive fails, and HP determines that the device, which is still in its service life can no longer be repaired and must be replaced, HP will remove the hard drive from the defective device and leave it with Customer prior to removing the defective device from Customer's premises. In the event that Customer requests that HP repair or replace a device or upon termination of the Schedule, HP will cleanse all hard drive data in accordance with section 19 (Hard Drive Removal and Surrender). In any other instance when the hard drive needs to be replaced there may be a cost associated with the replacement drive, and pricing will be in accordance with the NASPO ValuePoint Master Agreement Price List.

19. HARD DRIVE REMOVAL AND SURRENDER

- (a) HP shall ensure that all hard drive data is cleansed and purged (if capable) from the device at the end of its Useful Life, or when any hard drive is repossessed by HP; or
- (b) At Customer's discretion, HP shall remove the hard drive from the applicable device and provide the Customer with custody of the hard drive before the device is removed from the Customer's location, moved to another location, or any other disposition of the device. Customer shall then be responsible for securely erasing or destroying the hard drive.
- (c) If HP takes possession of any device at a Customer's location, then they shall also remove any ink, toner, and associated Supplies (drum, fuser, etc.) and dispose of them in accordance with applicable law, as well as environmental, and health considerations, or as otherwise specified in the Participating Addendum.
- (d) Hard drive sanitation shall be at no expense to the Customer, however; HP may charge the Customer a fee if the Customer elects to keep the hard drive in their possession. HP must disclose the price for removal and surrender of the hard drive, prior to Order placement.
- (e) If the hard drive is not removable, or the device does not contain a hard drive, then HP must convey this to the Customer at the time of Order placement. In the case of a non-removable hard drive, section 19.(a) shall apply.
- (f) If HP is removing another manufacturer's devices, HP is not permitted to remove the hard drive. Only the manufacturer of the devices or its Authorized Dealer shall remove hard drives in its own devices. HP shall work with the third-party manufacturer to ensure the requirements pursuant to this section are met.

20. SCHEDULE REVISIONS

If the assumptions and/or circumstances used to create the Pricing Schedule are found to be incorrect or misstated or to have substantially changed, then HP and Customer shall meet and in good faith negotiate equitable changes to the Schedule, which may include, but is not limited to, adjusting rates and/or service level commitments, in adherence with the NASPO ValuePoint Master Agreement. Any changes will only have effect for the future without any retroactive effect on any rates or charges that have already been invoiced. HP will not be liable for failure to meet any obligations in this Schedule to the extent such failure is due to delayed, false, or inaccurate information provided by Customer.

21. ASSIGNMENT

Neither this Schedule nor any right or obligation hereunder shall be assigned or delegated, in whole or part, by either Party without the prior written consent of the other Party, not to be unreasonably withheld.

22. PUBLICITY

Additional models/series of devices not currently priced on the Order will be added at the then-current rates, subject to the NASPO ValuePoint Master Agreement Price List.

24. PRICES AND TAXES

Initial prices will be as quoted in writing by HP. Prices are exclusive of taxes, duties, and fees (including installation) unless otherwise quoted. If a withholding tax is required by law, please contact the HP order representative to discuss appropriate procedures.

25. DISPUTE RESOLUTION

In accordance with NASPO ValuePoint Master Agreement § 7., Ordering, subsection 7.15, HP's dispute and escalation process follows. Any disputed matter under this Agreement will be referred to the parties' Project Managers, except for HP's right to terminate for Customer's failure to pay and except with respect to each party's right to pursue equitable remedies. If the Project Managers are unable to resolve the disputed matter within two (2) weeks, the matter will be escalated to the parties' sponsoring executives. If these representatives fail to reach a mutual resolution within the following two (2) weeks, or such other period as may be agreed to by the parties, the matter will be referred to the managers of such sponsoring executives. HP may suspend performance of services under this Agreement to the extent a disputed matter (including without limitation, a force majeure event or unfulfilled dependency) is not resolved within 60 days of the commencement of this dispute resolution process.

Supplies provided by HP under this Schedule may only be used on devices covered under this Schedule. HP encourages Customer to use HP's free cartridge return program for empty laser and ink cartridge disposal. See www.hp.com/recycle for details. Except to the extent that a specific requirement is set out in this Schedule, HP will manage the method and provision of the support programs in its sole discretion.

6. END OF SERVICE LIFE DEVICES [OPTIONAL]

Devices listed in the SUPPORT RATES FOR THE VARIOUS END OF SERVICE LIFE ("EOSL") DEVICES table above are nearing the end of their service life and therefore HP cannot guarantee support for EOSL Device(s) to the end of the Term. Customer must replace EOSL Device(s) with device(s) of a current model within twelve (12) months of the Schedule Effective Date, otherwise the EOSL Device(s) automatically and immediately revert to the ES Program at the rates indicated in the table above. At that time HP will no longer provide repair or maintenance services on that EOSL Device(s). Repair services and parts may be available upon written request to HP on a T&M basis only.

7. SERVICE LEVEL DEFINITIONS

(a) **MSS Response Times:** HP offers two (2) standard and one (1) optional response times depending on locations:

- (1) **HP Priority [OPTIONAL]** – Priority 4 Hour Response for Services, toner and ink drop ship.
- (2) **HP Advantage** – Next Business Day Response for Services, toner and ink drop ship.
- (3) **HP Extended Reach** – Depending on location, it may be greater than Next Business Day Response for Services, toner, and ink dropship.

(b) MSS Response Times will only be measured during HP normal business hours and only apply to devices supported by the MSS program. Location specific MSS Response Times can be found in Exhibit B, attached hereto. All Response Times are determined by the ZIP codes listed in Exhibit A, therefore, if a location is listed with an incorrect ZIP code, then the Response Time may be incorrect and will be corrected by way of a Change Order.

(c) **MVS Response Time [OPTIONAL]:** HP offers one response time under MVS, which is a Next Business Day response with toner drop ship. MVS Response Times will only be measured during HP normal business hours.

Special Note Regarding MVS Service Requests: The process for requesting service for devices supported by MSS and MVS programs is the same, but technicians and fulfillment of the requests are separate and distinct for each support program. For example, if a service request is placed for a device on MVS, the technician that responds may only service the device for which service was requested and any other device on MVS support program (the reverse is true for service requests placed for devices supported by the MSS program).

8. CLIENT MANAGEMENT [OPTIONAL]

(a) **Remote Client Management [OPTIONAL]**

HP will provide Customer with a Client Manager ("CM") that will perform the following services for the Term of the Schedule: (1) Serve as the single point of contact responsible for the delivery of the Services, Customer relationship, Customer satisfaction, and manage escalated issues and corrective actions until resolution; (2) Jointly develop with Customer a documented plan ("Delivery Plan") designed to promote delivery consistency and track topics for scheduled strategic reviews; (3) Coordinate and manage Change Orders; (4) Summarize HP standard fleet tracking and utilization reports for discussion during scheduled strategic reviews; (5) Provide a statistical analysis of fleet performance during scheduled strategic reviews; and (6) Track and report service level commitment performance in an HP-defined format.

HP will perform all activities remotely. In coordination with the assigned Client Manager, the CM will schedule and lead annual remote strategic reviews to discuss: (1) the summary of HP's performance against the Schedule, (2) the Delivery Plan, (3) the fleet management analysis (fleet utilization), and (4) recommendations for optimization.

The CM will schedule and lead regular strategic reviews with Customer to discuss: (1) the summary of HP's performance against the Schedule, (2) the Delivery Plan, (3) a summary of the service level commitment performance, (4) the fleet management and optimization analysis (fleet utilization) and recommendations for optimization, (5) Information on best practices, and (6) information on HP and/or third-party solutions included in the Schedule.

9. TERM, TERMINATION, AND RENEWAL

The term of this Schedule will begin on the Schedule Effective Date and will continue for the Term indicated above. Rates listed in the Pricing Schedule above are fixed for the initial Term of this Schedule.

Customer may only terminate this Schedule in the event of HP's uncured material breach of this Schedule, or in the case of non-appropriation of funds. HP will have thirty (30) days from Customer's written notice to cure such breach. If HP fails to cure such breach within the thirty (30) day period, this Schedule will terminate, with no Termination Fee, ninety (90) days after the written notice was received.

This Schedule may not be cancelled for convenience by Customer. In the event of any early termination of this Schedule by Customer for any reason other than HP's material breach, or the customer's non-appropriation of funds, HP, in its sole discretion, may assess and invoice Customer the number of impressions estimated to be remaining for the term of this Schedule based on the most recent historical impression counts ("Termination Fee"). Upon termination of this Schedule, Customer will pay HP for all Services performed, and all charges and expenses then due HP under this Schedule, including any applicable Termination Fee.

HP reserves the right to terminate this Schedule with thirty (30) days' notice.

10. DEVICES COVERED UNDER THIS SCHEDULE

The impression rates listed in the Pricing Schedule above and the terms contained herein are offered based on supporting all eligible devices within Customer's supportable locations listed in Exhibit A and Customer keeping the remote monitoring software active and reporting. All devices of a similar model/series must be enrolled in the support program and covered under this Schedule unless a specific written exception is granted. Devices can only be removed from the support program if they are taken out of service and permanently removed from a supportable location. Additional devices may be added at any time if HP currently provides support for that model/series. Supportable devices that are added at a later date that are not currently included in the Pricing Schedule will be added at the then current Master Agreement rate. To add a device to or remove a device from the Schedule, Customer must submit an email request to HP at pmps-fleetmaintenance@hp.com using a form to be provided by HP. Such requests must be submitted by an account manager or executive employed by Customer, or an employee authorized by the account manager or executive. Devices must be in a working condition prior to being enrolled in this program. If a device to be added to this Schedule is not new, HP will determine if repairs are required to bring the device to a working condition. If repairs are required, HP will notify Customer and, with Customer's approval, will provide those parts and repairs at HP's standard parts and service rates, per the pricing in the NASPO ValuePoint Master Agreement. If a mono device to be enrolled is in a "toner low" or "ink low" condition, Customer will be invoiced 50% of the retail price of a new toner or ink cartridge. If a color device to be enrolled is in a "toner low" or "ink low" condition, Customer will not be invoiced for the first cartridge, but will be invoiced for additional cartridges per Master Agreement Supply pricing. Customer agrees to follow correct device operation guidelines as specified by the manufacturer for all devices covered under this Schedule.

In the event that a device reaches defined end of service-life or if HP cannot acquire spare parts with commercially reasonable efforts, HP may terminate Services for the respective device and potentially all like devices.

12. PRICING

- (a) **MCB Billing Method:** This Agreement will be billed under the Managed Cartridge Billing method and in accordance with the NASPO ValuePoint Master Agreement. Managed Cartridge Billing method is defined as a billing option based on the toner or ink cartridges shipped to the Customer during the billing period. The pricing is based upon high-capacity contractual cartridges that are shipped when available (see SKU number in section 4., Pricing Schedule above). Alternate cartridges (SKU numbers) may be used and will be billed accordingly.
- (b) **MCB Method Price Calculation:** MCB pricing is calculated by taking the Rate in the Pricing Schedule and multiplying it by the number of pages expected to print ("Yield") according to the cartridge yield published in HP's device/cartridge yield specifications. All devices supported under this Schedule will be billed by this method.

13. DATA COLLECTION AGENT ("DCA"); AUTO TONER REPLENISHMENT ("ATR")

HP can assist Customer with the installation of an HP authorized remote monitoring software DCA. This DCA is not required. Customer acknowledges it has no ownership of software provided by HP, including the remote monitoring software. Subject to the terms of this Schedule and the Agreement, Customer agrees to allow HP the right to collect and use data through the remote monitoring software.

HP's preferred method of supplies replenishment is ATR. The DCA reports and alerts HP when supplies are needed and initiates and fulfills an order for supplies. Those supplies are drop shipped to the Customer. Reporting and alerts are determined by the Customer's printing history and require running the DCA for at least thirty (30) days before ATR is active. ATR can only be assigned to devices that are networked and reporting to the DCA. Local or non-networked devices will not have ATR.

If ATR is included, it requires the DCA to be installed and running. If the Customer chooses not to install the DCA or if the DCA is uninstalled, ATR is not available.

14. HP JETADVANTAGE INSIGHTS [OPTIONAL]

If HP JetAdvantage Insights is included as a part of this Schedule, then Customer also agrees to the terms and conditions with respect to HP JetAdvantage Insights located at <https://www.insights.hpondemand.com/files/SaaS/JAISPSaaS11302016.pdf>.

15. DEVICE OBSOLESCENCE

A manufacturer may choose to no longer support a device at which time replacement parts and/or supplies are no longer available for that device model/series, HP will make reasonable commercial efforts to continue to provide Service for the device, but HP reserves the right to discontinue providing Services on the respective device and potentially all like devices.

HP makes every attempt to identify those devices that are nearing the end of their supportable life. Such devices are described above in paragraph 6, End of Service Life. The standard credit described in the paragraph 6 does not apply to EOSL Device(s).

16. ITEMS NOT COVERED

The following items are not covered under MCB Services: paper, staples, font cartridges, third-party SIMM or DIMMs, third-party accessories, and all external interface cards.

Special Note on Firmware Upgrades: HP will only perform Firmware Upgrades if the manufacturer has announced the Firmware Upgrade resolves a known service issue.

17. REMOVAL OF CONFIDENTIAL INFORMATION

If a hard drive fails, and HP determines that the device, which is still in its service life can no longer be repaired and must be replaced, HP will remove the hard drive from the defective device and leave it with Customer prior to removing the defective device from Customer's premises. In the event that Customer requests that HP repair or replace a device or upon termination of the Schedule, HP will cleanse all hard drive data in accordance with section 18 (Hard Drive Removal and Surrender). In any other instance when the hard drive needs to be replaced there may be a cost associated with the replacement drive, and pricing will be in accordance with the NASPO ValuePoint Master Agreement Price List.

18. HARD DRIVE REMOVAL AND SURRENDER

- (a) HP shall ensure that all hard drive data is cleansed and purged (if capable) from the device at the end of its Useful Life, or when any hard drive is repossessed by HP; or
- (b) At Customer's discretion, HP shall remove the hard drive from the applicable device and provide the Customer with custody of the hard drive before the device is removed from the Customer's location, moved to another location, or any other disposition of the device. Customer shall then be responsible for securely erasing or destroying the hard drive.
- (c) If HP takes possession of any device at a Customer's location, then they shall also remove any ink, toner, and associated Supplies (drum, fuser, etc.) and dispose of them in accordance with applicable law, as well as environmental, and health considerations, or as otherwise specified in the Participating Addendum.
- (d) Hard drive sanitation shall be at no expense to the Customer, however; HP may charge the Customer a fee if the Customer elects to keep the hard drive in their possession. HP must disclose the price for removal and surrender of the hard drive, prior to Order placement.
- (e) If the hard drive is not removable, or the device does not contain a hard drive, then HP must convey this to the Customer at the time of Order placement. In the case of a non-removable hard drive, section 18.(a) shall apply.
- (f) If HP is removing another manufacturer's devices, HP is not permitted to remove the hard drive. Only the manufacturer of the devices or its Authorized Dealer shall remove hard drives in its own devices. HP shall work with the third-party manufacturer to ensure the requirements pursuant to this section are met.

19. SCHEDULE REVISIONS

If the assumptions and/or circumstances used to create the Pricing Schedule are found to be incorrect or misstated or to have substantially changed, then HP and Customer shall meet and in good faith negotiate equitable changes to the Schedule, which may include, but is not limited to, adjusting rates and/or service level commitments, in adherence with the NASPO ValuePoint Master Agreement. Any changes will only have effect for the future without any retroactive effect on any rates or charges that have already been invoiced. HP will not be liable for failure to meet any obligations in this Schedule to the extent such failure is due to delayed, false, or inaccurate information provided by Customer.

20. ASSIGNMENT

Neither this Schedule nor any right or obligation hereunder shall be assigned or delegated, in whole or part, by either Party without the prior written consent of the other Party, not to be unreasonably withheld.

21. CHANGE ORDERS

Both Parties agree to appoint a project representative to serve as the principal point of contact in managing the delivery of services and in dealing with issues that may arise. Requests to add additional service locations or modify current service locations will require a Change Order signed by both Parties. Additional models/series of devices not currently priced on the Order will be added at the then-current rates, subject to the NASPO ValuePoint Master Agreement Price List.

22. PRICES AND TAXES

Initial prices will be as quoted in writing by HP. Prices are inclusive of taxes, duties, and fees (including installation) unless otherwise quoted. If a withholding tax is required by law, please contact the HP order representative to discuss appropriate procedures.

23. DISPUTE RESOLUTION

In accordance with NASPO ValuePoint Master Agreement § 7., Ordering, subsection 7.15, HP's dispute and escalation process follows. Any disputed matter under this Agreement will be referred to the parties' Project Managers, except for HP's right to terminate for Customer's failure to pay and except with respect to each party's right to pursue equitable remedies. If the Project Managers are unable to resolve the disputed matter within two (2) weeks, the matter will be escalated to the parties' sponsoring executives. If these representatives fail to reach a mutual resolution within the following two (2) weeks, or such other period as may be agreed to by the parties, the matter will be referred to the managers of such sponsoring executives. HP may suspend performance of services under this Agreement to the extent a disputed matter (including without limitation, a force majeure event or unfulfilled dependency) is not resolved within 60 days of the commencement of this dispute resolution process.

Procedures for Returns

The State or Local Government Customer should contact the assigned HP Customer Service Representative (CSR) by calling 800-727-2472 to coordinate returns or replacements within 30 days from receipt of product. At that time, the customer will be issued an RGA number that will remain valid for a period of 15 calendar days from the date of issuance. All materials must be received within the RGA validation period.

The CSR will schedule the pickup for returns and forward an email to the person requesting the return. Faxes can also be forwarded in place of an email. The email will include all information regarding the return, including the RGA and carrier name and date of pickup. The CSR will assist the customer with any other details or specifics regarding returns, credits, and refunds.

HP reserves the right to refuse any return that does not meet the requirements stated below:

- Product must be returned in the original shipping packaging. In the event the packaging is not available or unusable, it must be noted when requesting an RGA.
- If possible, remove all mailing labels on the outside of the box that reference the customer address, or mark out the mailing labels address with a marker. The customer will either receive a mailing label via email that should be attached to the return products and/or will be provided a label by the carrier. Be sure to mark your RGA number on the box.
- If product for more than one RGA is being returned in the same box, make sure that all RGA numbers are listed on both the mailing label and packing list. If products are received at the Returns Center without valid RGA numbers on the mailing label, your credit may be delayed and proof of delivery or other supporting documentation may be required.
- The RGA number(s) must appear clearly on the box, as returns will not be accepted without an RGA number.
- Returns must be 100% complete, unused, and in original and re-sellable condition, with all original packaging, manuals, registration card(s), software, cabling, and accessories. If, after the product has been returned and inspected, it is discovered that components are

missing from the return, HP reserves the right not to issue an RGA for the return of the missing components. If it is determined that there are missing components when the product is returned, and the customer has received a credit, the customer will be issued an invoice for the missing component.

- RGA numbers that have been open for greater than 15 days may be cancelled and the customer subsequently invoiced for the unreturned product. Another RGA can be requested as long as it is within 30 days of receipt of the product. Please note that all returned products must be credited against the account and order from which the product was originally invoiced.

All products must be returned to the address provided by the HP Customer Service Representative via email or by the carrier:
